### A Pocket-Book Lost.

ON the second day of last Wake Superior Court I lost a small BLACK POCKET-BOOK, containing a Note drawn by Peyton Alford to me, for ninety dollars, payable the first of March next. Another Note drawn by Henry Hinton for seventy dollars, three several payments endorsed on which have reduced it to twelve or thirteen dollars. Also an Order, drawn by Dr. Hinton on John Arthur Bryan, for seven dollars, and a number of Receipts. The last time I saw the Pocket-book was at Mr. Mearns' Grog Shop, in Raleigh. I forbid the payment of the above Notes to any person but myself, and I hereby caution all persons not to trade for them. Whoever will return said Book and contents, shall be handsomely rewarded.

WILLIAM BENEFIELD.

### 100 DOLLARS REWARD.

#### Ran Away

FROM the subscriber on Sunday, the first day of April, two Negro Men named NED and ISRAEL, and also a Negro Woman named TAB, (the wife of Ned, who, I expect, came back for her) left my Plantation on the 24th night of April. Ned appears to be about 30 or 35 years of age, of the middle size, dark complexion, bushy head of hair, born in Virginia and brought from there about five years ago. Ned's wife was born in Virginia, and appears to be about twenty-five or thirty years old, spare made, and stammers very much in her speech; she was brought from Virginia with Ned. Israel appears to be about 20 or 22 years old, tolerably well made, a little inclined to a yellow colour, speaks very slow, and is a country-borne. I am apprehensive that they have been carried off or harboured by some person; should any person or persons prove this to be the case, and deliver the said three Negroes, with the offenders, to me, he or they shall receive a reward of One Hundred Dollars, or Fifteen Dollars for either of them; or Forty-five Dollars for the three to any person who shall deliver them to me, or confine them in any jail, giving me information thereof, so that I get them again. Letters on the subject to be directed to Newberry, on Salud River, at the mouth of Bush river, South-Carolina.

All prizes not demanded within 12 months after drawing, will be considered relinquished for the benefit of the institutions.

The above Lottery is authorized by an act of the Legislature of North Carolina, for the purpose of enabling the Trustees of the NEWTON ACADEMY near the town of Asheville, to complete the necessary buildings belonging to the same.—And also to establish a Female Academy in the town of Asheville.

Which two objects the Trustees and Managers flatter themselves will be a sufficient inducement, independent of the flattering prospect held out in the above SCHEME, to influence all zealous friends to useful Institutions to become liberal purchasers of tickets.—And they deem it unnecessary to expatiate largely in contrasting the advantages these institutions may have (if well supported with friends) over most other Seminaries.—For it is now very generally known that Asheville is one of the most healthy situations on this continent—and lying in the neighbourhood of the Warm Springs, and on the main road from thence, (as well as from the Western to the Southern States) is more generally resorted to by the best characters of both sexes during Summer and Autumn, (for the benefit of health) than almost any other place in the Southern section of the Union.—And being also a place where board and Tuition are had on very moderate terms.—Where the Youths of the sister states will lay the foundation of sound constitutions together with their Educations, and receive the visits of their friends to and from the Warm Springs.—All these advantages united bear evident testimony of the eligibility of Asheville as a seat for Literary Institutions.—And therefore on these self-evident grounds, we respectfully solicit the public patronage.
