The first drawn blank on the 1st 2nd 3rd 4th 5th 6th 7th and 8th days are entitled to \$50 each. The first drawn do. on the 9th 10th 11th & 12th do 100 do. Five hundred Tickets to be drawn on each of the first four days—and seven hundred and fifty on the 15th & last day.

Prizes payable 60 days after the completion of the drawing, by the managers, who hold themselves responsible—subject to a deduction of 16 per cent.

All prizes not demanded within 12 months after drawing, will be considered relinquished for the benefit of the institutions.

The above Lottery is authorized by an act of the Legislature of North Carolina, for the purpose of enabling the Trustees of the NEWTON ACADEMY near the town of Asheville, to complete the necessary buildings belonging to the same.—And also to establish a Female Academy in the town of Asheville.

Which two objects the Trustees and Managers flatter themselves will be a sufficient inducement, independent of the flattering prospect held out in the above SCHEME, to influence all zealous friends to useful Institutions to be some liberal purchasers of tickets.—And they deem it unnecessary to expatiate largely in contrasting the advantages these institutions may have (if well supported with friends) over most other Seminaries.—For it is now very generally known that Asheville is one of the most healthy situations on this continent—and lying in the neighbourhood of the Warm Springs, and on the main road from thence, (as well as from the Western to the Southern States) is more generally resorted to by the best characters of both sexes during Summer and Autumn, (for the benefit of health) than almost any other place in the Southern section of the Union.—And being also a place where board and Tuition are had on very moderate terms.—Where the Youth of the sister States will lay the foundation of sound constitutions together with their Educations, and receive the visits of their friends to and from the Warm Springs.—All these advantages united bear evident testimony of the eligibility of Asheville as a seat for Literary Institutions.—And therefore on these self-evident grounds, we respectfully solicit the public patronage.

### Fifty Dollars Reward.

RAN-AWAY from the Subscriber on the 11th of September, 1809, a Mulatto fellow named JIM. He is large and likely, about five feet eleven inches high, and aged thirty-five. His face is overrun with marks of the Small Pox, and on one side of his nose (the right side I believe) there is a scar occasioned by the kick of a horse. When he ran-away from me he carried with him a Bay Mare. Jim can read and write and I expect he will pass himself for a free man. I suspect he has gone to Wilmington, having connections there. Any person who will deliver this boy into my possession shall receive Fifty Dollars, and Twenty-Five if he is secured in any jail.

#### RUDDIMAN'S LATIN GRAMMAR,

TO which is added a concise and highly approved system of Latin Prosody taught in the University, and the Academies of this state, and at various other places.—Price 60 Cents single.

It is believed that this Edition, in point of correctness is not inferior to any which has been published in America. The Prosody above mentioned does unquestionably increase the value of the book, and give it preference in all other editions, because they, in this respect, are all greatly defective.

Booksellers and others, who may wish to purchase may be supplied with any number of copies, either bound or in sheets, upon as good terms as they can be purchased in New-York or Philadelphia. Raleigh June 7.

### TEN DOLLARS REWARD.

#### STOLEN

FROM the Subscriber, a GRAY HORSE, about four feet 8 or 10 inches high, 6 years old last spring. He is a little lip-shot, 1 thumb on the farther side. It is presumed he was taken by two young men who absconded from the neighbourhood of this place at the time he was missing. The men are small and slender made, and subject to get intoxicated with spirits. Their names I forbear to mention at this time—they are supposed to have gone to the Western Country, and it is not improbable they will sell or exchange the horse by the way. I therefore beg the attention of every honest and honourable person to observe if they can see a horse of the above description, and if they will write me by post to Raleigh, I will come or send and satisfy the above reward and all necessary charges.

MATTHEW SHAW.

### Catawba Navigation Lottery.

THE President and Directors of the North Carolina Catawba Company feel solicitous that every delinquent shareholder should be informed that pursuant to an act of Assembly, passed December 1808, all those shares on which four instalments have not been paid—and to whom notices have issued are vacated and have become a forfeit to the Company.

The officers of the company have extended the time of forfeiture to the first day of August and hope every person wishing to retain their shares will close the fourth instalment with the Treasurer, previous to that time—after which period no other than a legal indulgence can be calculated.

The company will resume their operations on the river near the Island ford about the first of August and hope to meet the patronage and assistance of those contiguous to the river—of whose co-operation they will be very thankful.

The Managers of the Catawba Lottery expect to commence the drawing on the fourth Tuesday in July—they request the exertions of those holding tickets to perfect their sales if possible by then, and to transmit an account of sales to the treasurer in Charlotte so as to reach that place on the Tuesday previous to the drawing.
