BOOK BINDERY.

SAMUEL COMBS, & Co.

Have established a BOOK BINDERY in the front room of the Minerva Printing Office, where Mr. Boylan lately kept his Book Store.

The merchants of Raleigh and the adjoining towns, can be furnished with Ledgers, Journals and Day Books, made of good paper of any size. Clerks of Courts can be supplied with Record Books; and old books will be re-bound in handsome and durable covers, on the shortest notice.—The prices for all kinds of work will be as low as at Petersburg or Richmond. Gentlemen coming to the Courts and to the General Assembly will afford opportunities for orders from a distance. Orders for re-binding old books, &c. received by D. M' Rae, Esq. Post-Master, Fayetteville.
Raleigh, Sept. 20, 1810.

NOTICE.

TWENTY DOLLARS REWARD.

RUN-AWAY from the Subscriber, (living in Stokes County, eight miles from Salem, and four from Shober's Tavern, now occupied by Thomas Adams) on the 1st instant, a Negro man named PRINCE, about five feet eleven inches high, twenty-one years of age; had on when he went away a white furred hat, a light mixed cotton coat, cotton shirt, white & striped overalls, and walks with a halt which is occasioned by his having had his right thigh broke, and is shorter than the other. I expect he will change his name and pass for a free man, and probably may have obtained a pass of some person. From information he aims for Wilmington in this state. Any person who will apprehend said Negro and secure him in goal, so that I get him again, shall receive the above Reward; and if brought to me all other reasonable charges shall be paid.

The above Lottery is authorized by an act of the Legislature of North Carolina, for the purpose of enabling the Trustees of the NEWTON ACADEMY near the town of Asheville, to complete the necessary buildings belonging to the same—And also to establish a Female Academy in the town of Asheville.

Which two objects the Trustees and Managers flatter themselves will be a sufficient inducement, independent of the flattering prospect held out in the above SCHEME, to influence all zealous friends to useful institutions to become liberal purchasers of tickets—And they deem it unnecessary to expatiate largely in contrasting the advantages these institutions may have (if well supported, with friends) over most other Seminaries—For it is now very generally known that Asheville is one of the most healthy situations on this continent—and lying in the neighbourhood of the Warm Springs, and on the main road from thence, (as well as from the Western to the Southern States) is more generally resorted to by the best characters of both sexes during Summer and Autumn, (for the benefit of health) than almost any other place in the Southern section of the Union—And being also a place where board and Tuition are had on very moderate terms—Where the Youths of the sister states will lay the foundation of sound constitutions together with their Educations, and receive the visits of their friends to and from the Warm Springs.—All these advantages united bear evident testimony of the eligibility of Asheville as a seat for Literary Institutions—And therefore on these self-evident grounds, we respectfully solicit the public patronage.

COACH-MAKERS,

FROM Petersburg, have taken the large Red House on Fayetteville Street, formerly occupied by Mr. James Mears, as a tavern, where they intend carrying on their business in all its various branches—they flatter themselves that from their perfect knowledge of the business and a determination not to deliver any work but what they can warrant, they will merit every encouragement which a liberal public may be disposed to confer.

Roanoke Ferry.

THE Subscribers wish to inform their friends, customers, and the public in general, that they have this year the management of the Ferry crossing Roanoke, at the place well known by the name of HASKINS'S FERRY, on the main road leading to Petersburg and Richmond. They have good boats sufficiently large to carry a wagon and load of tobacco, both teams and men, or three mules and a load of tobacco, both teams and men. David Mitchell, one of the subscribers, who now has the management, pledges himself that due attention shall be paid, and every exertion will be made to give general satisfaction; at which place as great dispatch will be used as in any other ferry on Roanoke. They solicit the continuance of their former patronage.

CHARLES MITCHELL, Person County.
DAVID MITCHELL, Rockingham.
April 5, 1810. 14—0 m.

N. B. DAVID MITCHELL informs his friends that he has built a house on the north side of Roanoke, at the landing, for the accommodation of his customers; at which place he intends keeping a grocery Store, viz: all kinds of Spirituous Liquors, Molasses, Coffee, Sugar, &c. &c.—He also intends keeping PRIVATE ENTERTAINMENT on the main road, one mile from the Ferry, where he has good Stables &c. Care will be taken to give satisfaction.

A PLEASANT SITUATION IS OFFERED FOR SALE,

SITUATED in the immediate vicinity of Wilmamston, in Person County, is the property of D. John Shaw, now a party of JAMES K. BURCH, viz: six or seven acres of land, the greater part of which is enclosed, with a good fence, and a well situated on the premises is a handsome Dwelling-house, with four convenient rooms neatly finished, an Office in the rear having two rooms also finished, a frame Granary and Stables, all nearly new—Also an Apple Orchard of well selected trees, and a never failing Spring. As it is presumed that no person will purchase without viewing the premises, a further description is deemed unnecessary.

This situation is peculiarly desirable as a summer retreat for a family from the lower and more unhealthy parts of the state. An undoubted title will be made and terms accommodating to be purchased. For further particulars apply by letter or otherwise to the subscriber at Raleigh.

A GREAT BARGAIN IN LAND AND MILLS.

THE Subscriber offers for sale a TRACT of LAND lying in Iredell county, on the main road leading through the fork of the Yaddin to Walkersburg, containing about six hundred acres, nearly 70 of which are cleared. The woodland, though generally upland, is of a good quality; some of it first rate. On the premises there are an excellent apple orchard and good buildings, consisting of a new dwelling-house 36 feet by 26, two stories high, with a Kitchen adjoining the East end, 17 by 16, the cellar well celled with stone, and two brick chimneys with five fire places. Also a new framed building, 42 feet by 20, built for a lumber-house—other necessary buildings and houses of value, occupied by Millers, Coopers, &c.—Attached to the house is a fine garden.

The MILLS, taking into consideration the natural advantages, are thought to be equal if not superior to any in the state. The bed of the creek at the mills is about 80 feet wide, which rises towards each bank till it is high enough for the whole of the dam to stand on a solid rock. The top of the dam is about 180 feet in length, which together with the wonderful fall below, prevents the water from rising very high. The Grist Mill is in good repair, has two pair of stones, elevators, conveyors, screws and bolts, on the most improved plan for country manufacturing; the house; built a few years ago, is 36 feet by 28, two stories above the husk. There being plenty of water and good ways for carriage, work is abundant; people coming a great distance to the mill in the summer and fall.

The Saw Mill begins to want repair, but might easily be rendered one of the best in the country, having near sixteen feet of fall.

ALSO FOR SALE

A TRACT adjoining the above of almost 180 acres—This tract is considered equal to any in this country, of its quantity. About 40 acres are cleared and in good order, with an apple orchard, &c.

Also, one other TRACT lying a mile higher up the creek, containing three hundred acres, has considerable low ground and meadow land. The upland is exceedingly good, having chiefly pine and hickory timber. Near 40 acres are cleared and in good condition. There are on the premises an orchard and some new buildings.

As I wish to remove to the state of Ohio this fall or ensuing winter, considerable sacrifices will be made in the above lands, &c. I will give a credit, on being made safe, for a considerable part of the purchase; or take lands in the state of Ohio, or north-western part of Kentucky.

NORTH-CAROLINA,

TREASURY OFFICE, Aug. 28th 1810.

THE Sheriffs and other accounting Officers in the State aforesaid, who have yet to pay up the Taxes and other public Dues for the year 1809, will bear in mind, that their Accounts respectively must be balanced and closed on or before the first day of October next.—Most of the Officers included in the above description, have often settled their accounts at the Public Treasury and are of distinguished punctuality.—Good officers are solely influenced by a sense of duty, and it is therefore held unnecessary here to mention the penalties and forfeitures provided by Law, in cases of failure.

JOHN HAYWOOD, Pub. Treas.

Fifty Dollars Reward.

RAN-AWAY from the Subscriber on the 11th of September, 1809 a Mulatto fellow named JIM. He is large and lanky, about five feet eleven inches high, and aged thirty-five. His face is overrun with marks of the Small Pox, and on one side of his nose (the right side I believe) there is a scar occasioned by the kick of a horse. When he ran-away from me he carried with him a Bay Mare. Jim can read and write and I expect he will pass himself for a free man. I suspect he has gone to Wilmington, having connections there. Any person who will deliver this boy into my possession shall receive Fifty Dollars, and Twenty-Five if he is secured in any jail.
