**Euphronian Academy.**  
THE subscriber informs the public that the building of this Academy is finished and will be opened for the reception of students on the second Monday of next month. The Rev. M. McMillan is appointed principal teacher, a gentleman whose learning and piety; whose suavity of manners and correctness of deportment, eminently qualify him for the discharge of the duties of his appointment. He is an experienced and approved instructor of youth.  
This Academy is situated in the county of Moore, on the south side of Deep river about one mile from M'Kenzie's Store. No situation can be more healthful. At the base of the eminence on which it stands issues, from among the rocks, a pure and never failing stream.  
The price of tuition, to be paid in advance, will be, for spelling, reading, writing and arithmetic \$2 50 per quarter. For English Grammar, Latin, Greek, Geography, natural and moral Philosophy \$4 per quarter. Board can be had in genteel and respectable families in the neighbourhood, including firewood, candles, washing, &c. for \$60 per annum or \$15 per quarter. Those who may think proper to entrust the education of their children to the guardians of this seminary are assured that the utmost care will be taken of their morals.  
The abilities and experience of the Principal of the Academy; the healthfulness of its situation, and the low prices of board and tuition, present the most flattering prospect of success to the friends and patrons of this infant institution.

## NEW ADVERTISEMENTS.

**Lands for sale in Orange.**  
THE subscriber, intending to remove to the state of Kentucky in the fall, offers for sale his lands lying in the County of Orange. There are in one body between 4 and 5000 acres lying on both sides of Little River, and in the fork of Little River and Enoc. A considerable portion of these lands is low grounds, equal to any in this part of the State, and well adapted to the culture of corn, wheat, rye, oats, and tobacco. The upland is generally of a free, lively quality, well suited to the production of all species of grain common to this climate, and considerable portions of it well calculated for the growth of cotton and tobacco. On these lands, there are several good plantations, situated on Little River, and Enoc, which would readily admit of divisions from each other so as to suit the convenience of different purchasers. The seat whereon the subscriber now resides, called Snow Hill, and included in the above mentioned body of lands, is perhaps surpassed by none in this part of the state for fertility of soil, elegance of situation, and extent and variety of prospect. It is not deemed necessary to state further the advantages which these lands possess, as it is presumed no one would wish to purchase without first viewing them. They lie fourteen miles to the East of Hillsborough, and the main road running thence to Petersburg, passes through them for a considerable extent.  
The subscriber offers for sale also one tract of land lying 8 miles to the East of Hillsborough, adjoining the lands of William Cain. This tract contains between 4 & 500 acres, is all upland of excellent quality, and has upon it a large plantation. The payments will be made easy to purchasers, by giving convenient, and reasonable credits, and taking in part likely young Negroes of good family.  
WALTER ALVES.

There is also, on the premises an excellent Fulling Mill, with all the utensils belonging thereto. There is land cleared sufficient to work seven or eight hands to advantage. This is a most excellent stand for a Store and Tavern, the house being situated on the main road leading from Salisbury to Fayetteville. A more particular description is deemed unnecessary, as the purchaser will certainly wish to view the premises. Terms of payment may be known by applying to the subscriber near Chambers's Ferry.
