### GOLD.

THE Subscriber on the 23d inst, in bleaching out a spring on his plantation, found a piece of pure Gold weighing thirteen ounces; He has since made some searches and been successful in finding tolerable large bits of gold. He has no doubt but there is a mine of considerable worth where he has found this gold. He wishes to associate with some persons who are skilled in the art of discovering the hidden treasures which the earth contains, and will make it worth the attention of any one who understands searching mines, if he will come and assist him in discovering the one which he is well assured is on his plantation.

### Lands for sale in Orange.

THE subscriber, intending to remove to the state of Kentucky in the fall, offers for sale his lands lying in the County of Orange. There are in one body between 4 and 5000 acres lying on both sides of Little River, and in the fork of Little River and Enoc. A considerable portion of these lands is low grounds, equal to any in this part of the State, and well adapted to the culture of corn, wheat, rye, oats, and tobacco. The upland is generally of a free, lively quality, well suited to the production of all species of grain common to this climate, and considerable portions of it well calculated for the growth of cotton and tobacco. On these lands, there are several good plantations, situated on Little River, and Enoc, which would readily admit of divisions from each other so as to suit the convenience of different purchasers. The seat whereon the subscriber now resides, called Snow Hill, and included in the above mentioned body of lands, is perhaps surpassed by none in this part of the state for fertility of soil, elegance of situation, and extent and variety of prospect. It is not deemed necessary to state further the advantages which these lands possess, as it is presumed no one would wish to purchase without first viewing them. They lie fourteen miles to the East of Hillsborough, and the main road running thence to Petersburg, passes through them for a considerable extent.

The subscriber offers for sale also one tract of land lying 8 miles to the East of Hillsborough, adjoining the lands of William Cain. This tract contains between 4 & 500 acres, is all upland of excellent quality, and has upon it a large plantation. The payments will be made easy to purchasers, by giving convenient, and reasonable credits, and taking in part likely young Negroes of good family.

WALTER ALVES.  
Snow Hill, April 25th, 1812. 18-1f

P. S. Kentucky Lands well situated, will be taken in part by way of exchange.

This land is well adapted for the cultivation of Tobacco, Cotton, Wheat, Rye and Indian Corn. On this plantation there is a young Apple Orchard, containing about 300 bearing Trees—with a convenient two story dwelling House, sufficient for the accommodation of a moderate sized family, a double barn, stables, &c. There is also, on the premises an excellent Felling Mill, with all the utensils belonging thereto. There is land cleared sufficient to work seven or eight hands to advantage. This is a most excellent stand for a Store and Tavern, the house being situated on the main road leading from Salisbury to Fayetteville. A more particular description is deemed unnecessary, as the purchaser will certainly wish to view the premises. Terms of payment may be known by applying to the subscriber near Chambers's Ferry.
