### Lands and Mills for Sale.

THE subscriber wishing to remove to his possessions in Danville, offers for sale, his lands, mills and distillery in Caswell county. His lands consist of sundry tracts adjoining or near to each other, containing in the whole, about eleven hundred acres; they lie almost two and an half miles from Caswell court house, on the waters of country line creek—these lands are well watered and well timbered: great part consists of good tobacco land, and all well adapted to the culture of wheat and corn. The plantation is in good repair and a considerable crop of wheat is sown on it.  
The dwelling house is new, large and commodious: it is 58 feet long; 38 feet wide, contains ten rooms, besides two large apartments in the cellar—seven of these rooms are neatly plastered, and one elegantly papered—it is situated on an eminence which commands a view of the court house & all the surrounding country; there is a good framed kitchen and other convenient out houses.  
The mills are on country line creek, which is the best stream in the county. The grist mill is double geared, running three pair of large stones, and are fixed with all the necessary machinery for manufacturing flour, and with excellent bolting cloths. The flour of these mills is equal to any made in North Carolina. The saw mill is constructed upon the most approved plan, and the surrounding country abounds with good timber—these mills have been lately built and are in perfect repair.  
The distillery contains three large stills: the house is large and well fixed—These mills and the distillery, exclusive of the plantation and other improvements, are now rented for one thousand dollars per year: some idea of their value may be formed from the amount of their rent.  
I will sell this property in whole or in part, to suit the convenience of the purchaser—good bargains will be given for cash or for negroes, or for good bonds payable at some early period.  
These lands are situated in a healthy, genteel and flourishing neighbourhood.
