Valuable Property for Sale.

WILL be sold by the subscriber, on very reasonable terms, the Lots and Houses of Public Entertainment, in the town of Oxford, reserved by him when the town was established on his lands. The property possesses superior advantages which will always secure to the proprietor a preference of custom, each lot being contiguous to the court-yard, and handsomely situated; upon one of which are two commodious houses, two stories high, containing thirteen rooms for the accommodation of gentlemen of the bar and others who wish retirement; with every necessary out-house, and a garden and yard occupying nearly four acres. Upon the other lot there is a Tavern house, which is about to be repaired and enlarged, a capacious framed stable besides other houses, and a horse lot adjoining, which will be extended to any size the purchaser may desire, to which will be added as much land, convenient to the town, as may be required for fire-wood and pasture. As any general description of the premises will necessarily prove unsatisfactory to strangers who may be desirous to purchase such property, they are invited to view it. The subscriber will also sell lots of ground, to suit the purchaser, adjoining the town, and convenient to the Oxford Academy, which affords to its patrons the prospect of becoming a flourishing institution.

NOTICE.

THE subscriber has a Negro man by the name of SOLOMON, often called SOLOMON JORDAN, that doth practice Physic. He is well known for his skill in Physic, in the counties of Granville, Wake, Franklin and Orange. I wish to give notice to all persons who may employ the said Jordan, that they must stand responsible to me for his charges; and if they are thought unreasonable, application must be made to me, and they shall be regulated agreeably to my judgment. The said Jordan may be found 25 miles north of Raleigh, 20 miles south of Oxford, 30 miles east of Hillsborough, and 22 miles west of Louisburg.

TEN DOLLARS REWARD.

RUNAWAY from the subscriber, living near Beaty's Ford, about the 1st of February last, a Negro Man named WILL. He is about 25 years of age, about five feet 9 or 10 inches high, large and well formed for his height; has a piece bitten out of his right ear; and carried off with him a striped linsy homespun big coat—other clothing not recollected. Having lately purchased him from a gentleman from Tennessee, I am induced to believe he may attempt to get to the Creek nation of Indians. A more minute description of him is not recollected. Any person who will confine him in jail, and give me notice at my residence or deliver him to me, shall receive the above Reward.

A credit until the first day of January next will be given, the purchasers giving notes with approved security.

STRAYED or stolen from the subscriber, on the night of the 3rd inst. a bright bay MARE, four years old this spring, her left fore-foot and right hind-foot are white, has a small star in her face and a short switch tail, when she left her face, put on to prevent her taking the Distemper. RUNAWAY on the 19th of February last, a Negro man named KIRT, between 20 and 30 years old, 5 feet 10 or 11 inches high, very black, cunning and artful, can write a tolerable good hand, it is probable he has a pass with a number of names equal-fitted to it, and he may attempt to counterfeit the county seal, speaks quick, is a little hollow eyed, rather knock-kneed, had with him a pair of leather breeches, a black furred lincey coat, other clothing not recollected—it is possible he will change his clothing and make use of many devices to deceive the people, as he has a great deal of assurance; he has no motive in running away, but to get free, and may attempt to go to the Ohio or Delaware, or the lower end of this State. The above reward will be given by the subscriber, living in Guilford county, N. C. for the delivery or information of said runaway so that I get him again.

Salem Female Boarding School.

THE Trustees for the Boarding School for Female Education in Salem, Stokes County, North Carolina, under the Rev. Abraham Steiner, deem it their duty to give notice to such parents and guardians, as may have it in contemplation to avail themselves of this institution, that the primary is at present very much crowded, and a sufficient number of candidates on the list for the vacancies which may take place in the course of at least 8 months and to refer them particularly to that part of the terms of the institution, in which it is requested, "that no Child may be brought or sent without previous application having been made to the Inspector, the Rev. Abraham Steiner, and leave obtained by him in writing, appointing the time of admittance."
Salem, N. C. March 24, 1814. 13-7t.

INTERESTING SALE.

BY an act of the last General Assembly of this state, Commissioners were appointed for the purpose of designating and causing to be erected, on the public land adjoining the city of Raleigh, a commodious dwelling-house and all necessary out-houses, for the accommodation of the Chief Magistrate of the state; and, to enable them to raise a fund adequate to the object, they are authorized to sell, at auction, the lot and improvements at present occupied by the Governor; and also a considerable portion of the public lands adjoining the city.—By virtue of this act of Assembly, and according to its tenor, the undersigned commissioners will commence the sale of said lot and lands, on the fourteenth day of May next, on the premises.
The terms of sale (consistent with the provisions of the act) will be specified at the time of sale.
The lot occupied by the Governor is thought to be the best situation for stores of any in the city, and is susceptible of divisions, so as to form several advantageous stands for mercantile or other business; and the dwelling house and out-houses are so arranged as not to interfere with sites for store houses, but are well calculated to accommodate the family of a man who wishes to carry on business. Whether this lot will be sold all together or by parcels, will be made known hereafter. The lands are divided into lots of various sizes, of from about half an acre to ten or twelve acres. Many of the lots are well watered by branches and springs—some of them comprehend excellent meadow ground—A large proportion of the land is in wood, & of a beautiful soil. There are many handsome situations for elegant seats; and some branches well suited to the convenience and facility of carrying on several of the trades and employments which require the use of water. Indeed the variety of situation is such as to suit either the fancy or occupation of almost every person disposed to settle in or about the city.
