Valuable Property for Sale.

WILL be sold by the subscriber, on very reasonable terms, the Lots and Houses of Public Entertainment, in the town of Oxford, reserved by him when the town was established on his lands. The property possesses superior advantages which will always secure to the proprietor a preference of custom, each lot being contiguous to the court-yard, and handsomely situated; upon one of which are two commodious houses, two stories high, containing thirteen rooms for the accommodation of gentlemen of the bar and others who wish retirement; with every necessary out-house, and a garden and yard occupying nearly four acres. Upon the other lot there is a Tavern house, which is about to be repaired and enlarged, a capacious framed stable besides other houses, and a horse lot adjoining, which will be extended to any size the purchaser may desire, to which will be added as much land; convenient to the town, as may be required for fire-wood and pastures. As any general description of the premises will necessarily prove unsatisfactory to strangers who may be desirous to purchase such property, they are invited to view it. The subscriber will also sell lots of ground, to suit the purchaser, adjoining the town, and convenient to the Oxford Academy, which affords to its patrons the prospect of becoming a flourishing institution.

AWAY from the subscriber on the 19th of February last, a Negro man named KIRT, between 20 and 30 years old, 5 feet 10 or 11 inches high, very black, cunning and artful, can write a tolerable good hand, it is probable he has a pass with a number of names counterfeited to it, and he may attempt to counterfeit the county seal, speaks quick, is a little hollow eyed, rather knock-kneed, had with him a pair of leather breeches, a black fulled lincey coat, other clothing not recollected—it is possible he will change his clothing and make use of many devices to deceive the people, as he has a great deal of assurance; he has no motive in running away, but to get free, and may attempt to go to the Ohio or Delaware, or the lower end of this State. Salem Female Boarding School.

THE Trustees for the Boarding School for Female Education in Salem, Stokes County, North-Carolina, under the Rev. Abraham Steiner, deem it their duty to give notice to such parents and guardians, as may have it in contemplation to avail themselves of this institution, that the seminary is at present very much crowded, and a sufficient number of candidates on the list for the vacancies which may take place in the course of at least 3 months and to refer them particularly to that part of the terms of the institution, in which it is requested, "that no Child may be brought or sent without previous application having been made to the Inspector, the Rev. Abraham Steiner, and leave obtained by him in writing, appointing the time of admittance."

INTERESTING SALE.

BY an act of the last General Assembly of this state, Commissioners were appointed for the purpose of designating and causing to be erected, on the public land, adjoining the city of Raleigh, a commodious dwelling house and all necessary out houses, for the accommodation of the Chief Magistrate of the state; and, to enable them to raise a fund adequate to the object, they are authorized to sell, at auction, the lot and improvements at present occupied by the Governor; and also a considerable portion of the public lands adjoining the city.—By virtue of this act of Assembly, and according to its tenor, the undersigned commissioners will commence the sale of said lot and lands, on the fourteenth day of May next, on the premises.

The terms of sale (consistent with the provisions of the act) will be specified at the time of sale. The lot occupied by the Governor is thought to be the best situation for stores of city in the city, and is susceptible of division, so as to form several advantageous stands for mercantile or other business; and the dwelling house and out houses are so arranged as not to interfere with sites for store houses, but are well calculated to accommodate the family of a man who wishes to carry on business. Whether this lot will be sold all together or by parcels, will be made known hereafter. The lands are divided into lots of various sizes, of from about half an acre to ten or twelve acres. Many of the lots are well watered by branches and springs—some of them comprehend excellent meadow ground.—A large proportion of the land is in wood, & of a beautiful soil. There are many handsome situations for elegant seats; and some branches well suited to the convenience and facility of carrying on several of the trades and employments which require the use of water. Indeed the variety of situation is such as to suit either the fancy or occupation of almost every person disposed to settle in or about the city.

PREMIUMS.

Premiums proposed by the Edgecombe Agricultural Society for the year 1814.

- FOR the exhibition of a Ram Lamb of the most approved form, size and fleece; which shall have been reared after the 15th of December preceding, to be shown at the meeting of the society at May Court. A silver medal worth \$2 50.
 - For the best specimen of home spun Linnen containing 14 yards; worth at least 75 cents per yard, to be exhibited at August Court. A medal worth \$5.
 - For the largest and best product of small grain, viz. Wheat, Barley, Oats or Rye, made on a single acre of ground; with a written treatise on the mode of raising it. For the August meeting. A medal worth \$5.
 - For the largest product of merchantable Indian Corn, from a single acre—with a written treatise. For the meeting at November Court. A medal worth \$5.
- The funds of the society being low, it is confidently hoped that the zeal and patriotism of our fellow citizens will supply the place of larger premiums. We think it our duty however, to observe that from a desire to encourage a spirit of improvement some friends to the institution have already volunteered in the exhibition of articles of domestic manufacture, for which no premiums had been offered; which, with the consent of the owners have been sold at auction, under the regulations of the society, at very liberal prices, and the money returned to
