## NOTICE.

BY virtue of a deed of trust executed by Robert Murdoch, for the purpose of securing the payment of certain sums of money therein mentioned, to Messrs. Jehu Scott & Abraham Craig, I will sell, at auction, for ready money, at the market house in Hillsborough, on Wednesday the 25th day of this month (being in Orange court week) a very valuable tract of LAND, lying between the waters of Back-Creek and Haw-River, in the Hawfields in Orange county. It is described in the bond, as containing 700 acres. The soil is said to be excellent, a considerable part of it is wood land; of the cleared land, fifty or sixty acres are fresh, and now have a very fine crop of wheat growing, which will be sold with the land as it stands; the balance may be easily reclaimed, by rest and judicious farming.—One third part of this tract, is encumbered with the dower of the widow of the late Wm. Mebane, dec'd. under which it will be sold. Also a prior mortgage, in favour of Messrs. Thomas T. Morgan, & Co. of Petersburg Virginia, to satisfy which, and the deed of trust above mentioned, the land &c. will be sold. This land is a very desirable object to persons at a distance, who wish to get valuable farms in the back country. Also will be sold, at the same time and place, by virtue of a deed of trust, three acres of Land on *Haw-River*, containing a mill-seat, whereon stand built a merchant mill lately burnt-down. The seat is valuable, and the dam now ready to build another house to—together with mill irons and a parcel of timber, &c. The titles are indisputable, but the Trustee will not warrant them generally.

IT appearing to the satisfaction of the Court, that Edward Tisdale the defendant is not an inhabitant of this State: It is therefore ordered by the Court, that publication be made in the Raleigh Star, for three months, that unless he appear at the next County Court of Pleas and Quarter Sessions, to be held for the County of Edge-combe, at the Court House in Tarborough, on the fourth Monday in May next, and reply and plead, judgment will be entered against him.

### Valuable Property for Sale.

WILL be sold by the subscriber, on very reasonable terms, the Lots and Houses of Public Entertainment, in the town of Oxford, reserved by him when the town was established on his lands. The property possesses superior advantages which will always secure to the proprietor a preference of custom, each lot being contiguous to the court-yard, and handsomely situated; upon one of which are two commodious houses, two stories high, containing thirteen rooms for the accommodation of gentlemen of the bar and others who wish retirement; with every necessary out-house, and a garden and yard occupying nearly four acres. Upon the other lot there is a Tavern house, which is about to be repaired and enlarged, a capacious framed stable besides other houses, and a horse lot adjoining, which will be extended to any size the purchaser may desire, to which will be added as much land, convenient to the town, as may be required for fire-wood and pastures. As any general description of the premises will necessarily prove unsatisfactory to strangers who may be desirous to purchase such property, they are invited to view it. The subscriber will also sell lots of ground, to suit the purchaser, adjoining the town, and convenient to the Oxford Academy, which affords to its patrons the prospect of becoming a flourishing institution.
