Valuable Property for Sale.

WILL be sold by the subscriber, on very reasonable terms, the Lots and Houses of Public Entertainment, in the town of Oxford, reserved by him when the town was established on his lands. The property possesses superior advantages which will always secure to the proprietor a preference of custom, each lot being contiguous to the court-yard, and handsomely situated; upon one of which are two commodious houses, two stories high, containing thirteen rooms for the accommodation of gentlemen of the bar and others who wish retirement; with every necessary out house, and a garden and yard occupying nearly four acres. Upon the other lot there is a Tavern house, which is about to be repaired and enlarged, a capacious framed stable besides other houses, and a horse lot adjoining, which will be extended to any size the purchaser may desire, to which will be added as much land, convenient to the town, as may be required for fire-wood and pasture. A very general description of the premises will necessarily prove unsatisfactory to strangers who may be desirous to purchase such property, they are invited to view it. The subscriber will also sell lots of ground, to suit the purchaser, adjoining the town, and convenient to the Oxford Academy, which affords to its patrons the prospect of becoming a flourishing institution.

THO. B. LITTLEJOHN.

THE MINERAL SPRINGS

AT LENOX CASTLE,

In Rockingham County, North-Carolina.

THE subscriber has established himself at Lenox Castle, where he has opened a House of Entertainment, and is making extensive preparations for the accommodation of invalids and others, who shall resort to this place during the summer months, either for health or amusement. The Mineral Waters are of various kinds, and equal in their virtues to any in the Union. Baths are erected and the Springs will be kept in good order—Lenox-Castle is one of the most healthy and agreeable situations in the southern states, is on the main road leading from the eastern to the western parts of North-Carolina. A Post Office is kept at this place, at which the mail arrives twice in each week, and papers and literary journals from different cities in the United States, are received for the use of gentlemen who resort to the springs. An assortment of good liquors will be kept on hand, and every endeavour made to provide the best accommodations that the country will afford. The cheapness of living, the excellence of the waters and the healthfulness of the situation, all contribute to render this an agreeable place of resort.

JOHN L. LESUER.

He was born in Sampson County, age nineteen years, five feet ten inches high, fair complexion, gray eyes, dark hair, and by profession a farmer. ARTHUR FOX, Lieut.

10th U. S. Infantry.

Recruiting Rendezvous, White Plains, June 5. 23.

To the young and Patriotic Citizens

Of the Counties of Burke, Buncombe, Rutherford and Haywood.

CONSCIOUS of the rectitude of our cause in the prosecution of the present war against Britain, the Government of the United States has handsomely compensated those who wish to enlist under the banners of freedom—A bounty of one hundred and twenty-four dollars, and one hundred and sixty acres of Land—fifty dollars to be paid down, fifty dollars when mustered and twenty-four dollars when the term of service expires. Such men whose patriotism is prompted by noble emulation to enlist in the service of his country, are now amply compensated for the toils and dangers of war, with the addition of eight dollars for every man a soldier shall enlist. Where is the patriotism of seventy-six? Arise ye sons of freedom, let it not be said that you, who are the progeny of the brave and seventy-six, are so far degenerated into pusillanimity that you are not willing to maintain and support the constituted authorities of this free and enlightened republic. Free yourselves from that dull lethargic state in which you are plunged—Summon up your courage and resentment against the internal and external enemies of your country—Come forward and enlist in the service of your country where true merit and just honor are the lasting esteem and monuments of a soldier's name. Your names will be recorded in the annals of history—patriotic deeds will be written on your heroic characters, and your names will be immortalized and registered amongst the heroes of seventy-six.

A. H. BRANDON,

Captain 3d Rifle Reg.
