FORTY DOLLARS REWARD.

RUNAWAY from the subscribers, on or about the 15th of May, two Negro Men, one of dark complexion by the name of DAVID, about 6 feet high, somewhat marked by the small pox, has a blemish in one eye occasioned thereby, about 27 years old, considerable beard; the other is dark complexioned, about 5 feet 7 inches high, has a remarkable broad nose, with a scar on one side of his head over the ear, about 25 years of age, stout made, named CHARLES—both of the above Negroes were brought from the Northward, and it is probable they will attempt to get back, or go on board of some vessel, as David has followed the sea, and perhaps Charles. A reward of forty dollars will be given for the taking up and confining the above Negroes in any Jail in North-Carolina or Virginia and giving notice to the subscribers, living in South-Carolina, Newberry District, so that they get them, or twenty dollars for either. THE subscriber has established himself at Lenox Castle, where he has opened a House of Entertainment, and is making extensive preparations for the accommodation of invalids and others, who shall resort to this place during the summer months, either for health or amusement. The Mineral Waters are of various kinds, and equal in their virtues to any in the Union. Baths are erected and the Springs will be kept in good order—Lenox-Castle is one of the most healthy and agreeable situations in the southern states, is on the main road leading from the eastern to the western parts of North-Carolina. A Post Office is kept at this place, at which the mail arrives twice in each week, and papers and literary journals from different cities in the United States, are received for the use of gentlemen who resort to the springs—An assortment of good liquors will be kept on hand, and every endeavour made to provide the best accommodations that the country will afford. The cheapness of living, the excellence of the waters and the healthiness of the situation, all contribute to render this an agreeable place of resort.
