The detachments from the Counties of Chowan, Curruick, Camden, Pasquotank, Perquimans, Gates, Hertford, Bertie, Northampton, Halifax, Warren & Nash, constitute one regiment to be denominated the first regiment: the counties of Washington, Tyrrell, Hyde, Beaufort, Craven, Carteret, Jones, Lenoir, Greene, Pitt, Martin, Edgewcombe and Wayne, will constitute one other regiment to be denominated the second regiment: the counties of Onslow, New Hanover, Bladen, Brunswick, Columbus, Duplin, Sampson, Robeson, Caberland, Moore, Richmond and Anson, will constitute one other regiment to be denominated the third regiment: the counties of Wake, Johnston, Franklin, Granville, Person, Orange and Chatham, will constitute one other regiment to be denominated the fourth regiment: the counties of Caswell, Guilford, Rockingham, Stokes, Surry, Wilkes, Ashe and Handolph, will constitute one other regiment to be denominated the fifth regiment: the counties of Rowan, Montgomery, Mecklenburg, Cabarrus and Iredell, will constitute one other regiment to be denominated the sixth regiment: and the counties of Lincoln, Rutherford, Burke, Buncombe and Haywood, will constitute one other regiment to be denominated the seventh regiment. That the first and second regiments will constitute the first Brigade, the third and fourth regiments will constitute the second Brigade, and the fifth, sixth and seventh regiments, will constitute the third Brigade.

The Commandants of regiments will report as soon as practicable the names of the several persons enrolled to the Brig. Gen. commanding in the Brigade to which such regiment may be attached. The Brigadier General will report to the Major General commanding in that Division, and the Major Generals respectively will report immediately thereafter to this office. For expedition the Commandants of regiments and brigades are required also to report to this office immediately after the Muster Rolls are received by them respectively.

The President expresses a preference for uniform volunteer companies: the officers aforesaid are therefore requested to use their best exertions to obtain as many of that species of force as possible.

This detachment will be organized in companies of one hundred each, battalions of 500; regiments of 1000; brigades from two to three thousand, and the whole to form one division. The General Staff required by the President is one Major General, three Brigadier Generals, one Deputy Quarter Master General, one Assistant Deputy Quarter Master General, and one Assistant Adjutant General. This Staff will be designated by the Governor. The Commandants of regiments will designate the company officers. The Generals of Divisions and Brigades will recommend the Field Officers.

In the selection of officers it is difficult to lay down any fixed rule, without its having an injurious effect when reduced to practice. Justice it would seem requires that the preference should be given to those of senior rank, but a strict adherence to this principle might render the Army almost inefficient. To be governed by it when great injuries might be sustained would be improper—therefore in recommendations the officers making such will be governed by merit and not by seniority of grade.

The officers aforesaid will take the most effective measures to cause the returns to be made to them without delay, to the end that returns may be made to this office in the shortest time possible. They will also transmit with the Muster Rolls to this office a Register of all the Field Officers who may volunteer their services, designating those recommended from the others.

It is expected that in complying with the present requisition, the citizens of this State will manifest that zeal and promptness to their country's call, which has heretofore distinguished them on similar occasions.

It is to be understood that those persons heretofore enrolled in the detachment, whose time expired on the 10th of April last, and who have served a tour of six months duty, will be exempted from this draught enrollment. By order of the Commander in Chief,
ROBT. WILLIAMS, Adj. Gen.
of the Militia of N. C.

N. B. The companies will be officered according to the Militia Law.

HAVING removed from Halifax County, I am disposed to sell (on moderate terms) my Landed estate &c. in said county, consisting of one tract of Land (my late residence) lying in the fork of Condoony and Whitehall swamps, and on the main road leading from Halifax Town to Tarboro', about 6 miles from the former place; and extending across the road leading from Edfield to Bridges's ferry. There is about eleven hundred acres of Land in this tract; the improvements are good and considerable, the land is as good as that in the neighborhood, the range is most excellent and is now under a new fence, the plantation is very well watered, and possesses many advantages. I have another tract lying on Beavertons swamp, about 8 miles S.
