Ten Dollars Reward.

RANAWAY from the subscriber on the 27th June last, a Negro Man named CURTIS, 6 feet high, 25 years of age, slim made, with a small scar on his forehead, was raised in Guilford county, and being able to write, no doubt will try to pass as a free man; he was sold to me by the name of Harper. TWENTY DOLLARS REWARD.

RANAWAY from the subscriber about the first day of last March, a negro man called MARCH, about five feet 8 or 9 inches high, slim made, of dark complexion, about 23 years old, thin visage and full mouth, and his forehead is very full, and has stoppage in his speech; said negro was raised on Whiteoak River, near or at Nurse's Mills, and sold young to Mr. Boswell Smyth on Trent River, N. C. and from said Smyth to Mr. James Huston on Neuse River Fort Barnwell, and from Mr. Huston to Mr. Frederick Baker in Lenoir county, N. C. and from Mr. Baker to the subscriber: the father of said negro March belongs to Mr. Wm. Mitchell about 6 miles above Newbern on the Neuse road; his having so great acquaintance it is difficult to say which of these places may be most likely to find him; but I expect he is lurking about Mr. Mitchell's where his father is, or on the south side of Trent river near Mr. Gaston's Mills is very likely he may be as he has been once caught there; it is said when he is out he tries to pass for a free man, which is likely he may do now. Any person who may apprehend said negro and confine him in some jail so that I get him, or deliver him to the subscriber in Lenoir county, N. C. shall receive the above reward.

NOTICE.

ON the first day of September next I shall take the benefit of the Insolvent Act at the Jail in the city of Raleigh. All persons having demands against me are hereby notified to attend at the time and place above mentioned, and show cause, if any they have, why the benefit of the said act should not be extended to me, or for ever after hold their peace.

Raleigh, August 16. JONATHAN GEORGE.

Matthew Harrison.

A CERTAIN Matthew Harrison, a native of the State of Virginia, arrived from Kingston, Jamaica, with his wife at some of the towns upon the sea-board of North Carolina, a few years since, six or seven perhaps, where she died. His widow married shortly after the Gentleman's name not recollected, believed to be of the profession of Law. The said Harrison left a child by his wife. If any person will be so good and humane as give information by a line directed to Dr. A. Slaughter, Norfolk, if the child be living, and where it is to be found, it will be an act of charity and humanity, as it will in all probability prove advantageous to a poor child.

Norfolk, Va. July 10, 1814.

Valuable Property for Sale.

WILL be sold by the subscriber, on very reasonable terms, the Lots and Houses of Public Entertainment, in the town of Oxford, reserved by him when the town was established on his lands. The property possesses superior advantages which will always secure to the proprietor a preference of custom, each lot being contiguous to the court-yard, and handsomely situated; upon one of which are two commodious houses, two stories high, containing thirteen rooms for the accommodation of gentlemen of the bar and others who wish retirement; with every necessary out-house, and a garden and yard occupying nearly four acres. Upon the other lot there is a Tavern house, which is about to be repaired and enlarged, a capacious framed stable besides other houses, and a horse lot adjoining, which will be extended to any size the purchaser may desire, to which will be added as much land, convenient to the town, as may be required for fire-wood and pasture. As any general description of the premises will necessarily prove unsatisfactory to strangers who may be desirous to purchase such property, they are invited to view it. The subscriber will also sell lots of ground, to suit the purchaser, adjoining the town, and convenient to the Oxford Academy, which affords to its patrons the prospect of becoming a flourishing institution.

THO. B. LITTLEJOHN.

Three fourths of the Tract is Woodland, comprising an extensive body of Meadow and Low Grounds, covered with rich herbage and heavy forest timber, and constituting a range for Stock inferior to none. There is on the premises a small Farm, principally of fresh Land, in good repair, and sufficient to work eight or ten hands to great advantage by judicious management; also a small tenement in a pleasant situation, which at a little expence, might be made sufficient for the accommodation of a moderate family, affording one of the best situations for a Store, Tavern or Shop, to be found in any interior part of the country, and in the vicinity of excellent Shad fisheries, Grist Mills, Cotton Gins, and Houses of Divine Worship of different denominations. To such gentlemen as may be desirous to vest their capital in landed property, or may be anxious for the enjoyment of pure water and a wholesome atmosphere, the subscriber can disinterestedly recommend this estate as an object worthy of their attention. SMITHFIELD ACADEMY.

THE Examination of the Students of the Smithfield Academy began on Monday the 8th inst. and closed on Tuesday evening. The classes were examined on their respective studies, in presence of the board of Trustees appointed to attend the examination, and a large and respectable audience. They acquitted themselves in a manner that truly merits distinction; and at the same time reflects much praise on the exertions of their Tutor. School will commence on the first Monday in Oct. Parents and guardians who wish to send their children, may not apprehend any danger from the sickly season, as the vacation is so chosen that during the violence of autumnal fevers, the children will be with their respective families. Board is cheap, and fare good. The strictest attention will be paid to the morals of the Students by the Trustees, and the Tutor Mr. Willie N. White, who will re-assume the charge of the Academy the ensuing year.
