## Valuable Land for Sale.

THE undersigned as attorney in fact for Mrs. J. S. BLOUNT, of Tarborough, N. Carolina, offers for sale Five THOUSAND FEET of broad acres, being a moiety of the late Gen. Sumner's service tract, situated 23 miles south of Nashville, in the counties of Williamson and Rutherford, on the waters of Br. Harpeth & Stone's river, embracing as rich land, good lasting Springs, as many sites for Farms, as any tract of its size in the Western country, clear of all contending claims whatever, has been divided into four tracts, and may be subdivided into smaller tracts, has on it 22 plantations averaging 16 acres each—a Faculty connexion that wishes to move and settle in this State would find it to their advantage to purchase the whole tract. The right in the land, title, terms of sale, apply to the undersigned—who has several TRACTS of his own for sale, also the tract on which he lives, containing 1130 acres, on which there are ten never failing Springs, a two story framed dwelling house, with other houses; a barn building more than 60 feet in length; upwards of 150 acres cleared, a part in red clover, timothy and blue grass; an orchard of more than 300 apple trees, beginning to bear. This is one amongst the handsomest farms Tennessee holds in her limits—and the improvements considerable when it is remembered I have only lived here three years, and five years ago the place was in a state of nature. The good. For terms apply to TH. B. SUNNELL, Williamson county, Tenn. Sept. 26, 1814. 44 3m

WILLIAMSBORO' ACADEMY—The exercises of this Institution will commence on the first day of January next, under the superintendance of Andrew Rhea, M. A. the present professor of languages in the University of North-Carolina, as principal. There will be taught at this Academy, the Latin and Greek languages, Mathematics, the Elements of Euclid, Practical Geometry, Trigonometry, Surveying, Navigation, Mensuration of Heights and Distances, Superficies and Solids, Geography, Algebra, Natural and Moral Philosophy, English Grammar, Reading, Writing and Arithmetic. Particular attention will be paid to Composition, Reading and Elocution. The price of tuition, \$20, payable half yearly in advance. Extra charges for firewood, attendants and the use of a Library, will be moderate and regulated by the Trustees. Board will be had in the private families of Stephen Speed, Judge Henderson and William Roberts in town, and Dr. Hare and others in the neighborhood at \$60, payable half yearly in advance. The trustees deem it unnecessary to say any thing of the qualifications of Mr. Rhea—his acquirements as a scholar, his character as a gentleman, and his long experience and high standing as a teacher, are universally known, and duly appreciated throughout the State. The trustees pledge themselves to use their utmost exertions to excite and keep up a spirit of emulation in the School, and to pay particular attention to the correct conduct and moral deportment of the students; and they flatter themselves that the commanding talents of Mr. Rhea, the healthiness of the place and the cheapness of board in the most respectable private families, together with the advantages of a good society will render this one of the most eligible seminaries of learning in the state, and ensure it a liberal share of the patronage of a generous public.

A Female teacher wanted. A Lady qualified to take charge of young females, and capable of teaching Reading, Writing, Arithmetic, English Grammar, Parsing and Needle Work, may be placed in a comfortable and permanent situation, on making immediate application to Judge Henderson, president of the board of Trustees.

## University.

AS the term for which the present Steward of the University of North-Carolina was engaged, will expire with the current year; we, being the Committee of Appointment, are ready to receive proposals for the ensuing year—and we invite all fit characters for the place to come forward with their terms at an early day. We however think it but candid to state, that a proposition, as we learn, is intended to be submitted to the board of Trustees at their annual meeting in November next, for abolishing the Stewardship and for renting out the Houses now occupied by the Steward. Should this plan succeed with the board, the proposed contract will be superseded—Should it fail, it will be our duty to proceed to the appointment. Meanwhile we would receive and consider proposals.
