PRINTED AND PUBLISHED WEEKLY, BY THOMAS HENDERSON, JUN. PRINTER TO THE STATE.

Vol. VII.—No. 15.]

RALEIGH, FRIDAY, APRIL 14, 1815.

[Three Dols. per annum.]

NOTICE.

Treasury Department, March 10, 1815.

In pursuance of powers, which have been duly vested in the Secretary of the Treasury under an act of the Congress of the United States, entitled "An act to authorize a loan for a sum not exceeding eighteen millions, four hundred and fifty-two thousand, eight hundred dollars," approved by the President of the U. S. on the 3d of March, current, proposals will be received by the Secretary of the Treasury from this time, until the first day of May next (unless the amount required should be previously subscribed) for a loan to the United States, of the sum of five millions of Dollars, or any part thereof, on the following terms, and in the following manner:

The proposals must state the amount to be loaned; the rate at which the stock will be received; the instalments in which the party will make payments, not exceeding, for the whole, ninety days from the date of the subscription, and the banks into which the payments will be made.

The payments will be received either in money, or in approved bank notes, or in treasury notes actually issued before the 3d of March current, under the acts of Congress, passed, respectively, the 30th June, 1811, the 25th of February, 1813, and the 4th of March, 1814, at their par value, with the interest accrued thereon at the time of payment. The kind of payment intended to be made must be stated in the proposals; and where the terms of subscription are equal, a preference will be given to offers for paying in Treasury Notes, which have become due, and remain unpaid, with an allowance of the interest upon such notes, as well since, as when they became due.

On failure to pay any instalment at the time stipulated, the next succeeding instalment shall be forfeited for the use of the United States.

Sum of money to be issued by the Cashiers of the Banks, or other persons, making the payments; the Cashiers will, also, endorse the payment of the successive instalments, and the interest thereon, will be assigned by endorsement to the subscribers, and will be funded at the bank where the subscription is made, and the bank is authorized to receive the same.

For the better security of the loan, when the instalments are received, the interest at 6 per cent per annum, payable quarterly, shall be paid to the subscribers, and the principal of the loan shall be repaid by the United States, in any future year, or years, as may be determined by the Congress of the United States.

It is further provided, that the interest, and the principal of the loan, shall be repaid, according to contract. It is further provided, that the interest will permit, to the subscribers, to draw out of the loan, at any time, or times, any sum of money, not exceeding the amount of the interest, and the principal of the loan, as may be determined by the Congress of the United States.

A commission of one per cent, will be allowed any person collecting subscriptions for the purpose of incorporating them in one proposal to the amount of 1000 Dollars or upwards, provided such proposals shall be accepted.

A. J. DALLAS,
Secretary of the Treasury.

Twenty Dollars Reward.

ANAWAY from the subscriber about the first of January last, a Negro man by the name FLEWIS, about 25 years of age, very black, bowlegged, and does weigh more than 140—no particular marks recollect. Also, ran away about the 15th March a negro named DREY, but may perhaps assume the name of Little, as he did on a former occasion. This fellow was bred in Halifax county, near Edward's Ferry on Roanoke, where I expect he has gone. Stutters badly, and small eyes—about 23 years old, and of the common color, and has been by some unprincipled white men—above reward will be given for the delivery of both above named negroes, or ten dollars for either, and reasonable expenses paid.

Walter Janes' Domestic & Factory Loom.

THE patent right to this LOOM, so far as respects the State of North Carolina, has been purchased by a Company of Gentlemen, who intend as soon as possible, to have constructed a number of the Looms for sale.—They will have Looms in operation in different parts of the State in the course of the ensuing Spring. Those persons who wish to purchase Looms will make application to Samuel C. Brame, at Raleigh, and the Looms will be sent to them at the expense of the Company. The Company can with confidence recommend this Loom as one of the most useful improvements in the Domestic Arts, which has been made; fifteen or twenty yards can with ease be woven in a day, of a thread which is usually denominated "a twelve hundred," and of a thread denominated "a six hundred," from thirty to forty yards can be woven in the day. A person can learn the art of weaving on this Loom in two or three days. The whole process of weaving is carried out by the motion of the Batton. The Loom is simple in its construction, and easily kept in order.

RANAWAY from the subscriber about the first of January last, a negro man by the name of BILLY; he is about 34 years of age, by trade a Carpenter, and has a large scar on his breast, occasioned by a burnt reeve. Some years ago—a more particular description is deemed unnecessary, as he was raised in the County of Halifax, where I am well persuaded he is now lurking, and is well known. Said Negro has a wife at Mr. Kemp Plummer's Plantation, near the town of Halifax. I will give the above reward for the apprehension and delivery of said negro to me in Raleigh.

RANAWAY from the subscriber on the night of the 19th instant, a negro man named TOM, about 22 years old, yellow complexion, near six feet high, straight built, speaks very plain when unembarrassed, but stammers a little if alarmed, has very thick lips.—It is likely he will attempt to pass as a free man, as I have reason to believe he has a free pass. I think it likely he will attempt to go to Norfolk in Virginia. I will give the above reward for the said negro if delivered to me in Wayne County, and pay all reasonable expenses, or 15 dollars if secured in any jail in this State.
