## MILL-BROOK FOR SALE.

THE subscriber wishes to sell that elegant and highly improved situation, having thereon a most superb Dwelling House, the workmanship of which is not inferior to any in the State; with every out house thereto attached for its convenience; a spacious Ice House, a Mill on Big Fishing creek, within 200 yards of the Dwelling House, having four grists: to-wit, one pair Burrs, one pair Cologs, & two pair Albany Stones, two set of Bolting Cloths, and Sorean and Fan; a Cotton Gin, with 52 saws 9 inches in diameter, and a Saw Mill, all in good repair; a tumbling dam, filled in with rock, nearly one hundred yards in length, with a fine rock foundation, which renders it safe from undermining at all times. To these conveniences are attached about three thousand young Apple Trees, and twice that number of young Peach trees, all of which are beginning to bear, and will ere long yield an abundant harvest, as great pains have been taken in pruning and manuring them. At the Quarter (one mile distant) is a very valuable Granary, 32 by 30 feet, with two sheds 32 by 22 and 30 22 feet.  
There are attached to these premises about 1750 acres of Land well connected, all of which may be considered creek lands and first rate for this part of the country; good for corn and very suitable for cotton, tobacco and wheat, with at least twelve constant running Springs thereon. A residence of ten years has sufficiently proved this a healthy situation. Those wishing to purchase I presume will first view the premises, and I flatter myself they will be highly pleased, as it is considered one of the most desirable situations in the state.  
I have for sale, also, a tract of land containing 679 acres, situate two miles from Halifax, extending from Little, across Big Quankey, and on the main road leading from Halifax to Warrenton.—There are a sufficiency of Apple trees on this place to make eight or ten barrels of brandy per year.—The soil is suitable for the production of corn, cotton, &c.—A Cotton Gin, a Saw and Grist Mill, with a Bolting Cloth on Big Quankey, all of which I am now repairing. Also, two well improved lots near the Public Square, in the town of Halifax. For sale also, a quantity of Household and Kitchen Furniture. Terms made known on application to the subscriber.

## FOR SALE.

THE subscriber, wishing to remove to the Maritime Territory, is desirous to sell his landed property—Four miles from Raleigh he has a Mill and 330 acres of land, 50 acres of which are cleared and most of it in corn. This property is well worth the attention of any one inclined to live near the seat of government or in the city. The mill is situate in a very good neighborhood for custom, and on a never failing stream; there are two pair of stones, two bolting cloths and a cotton machine—all of which go by water: the mill having the preference of any near the city for making good flour. There is also a saw-mill in forwardness, which, it is supposed, will be very profitable when completed, as there is abundance of good timber, &c. and a great demand for stuff at high prices. There are houses sufficient for two small families; with a parcel of good fruit trees. I will sell, with the above, some cattle and hogs, and the crop now growing. It is deemed unnecessary to say more, as no one will purchase without viewing the premises—TOWN PROPERTY. The eligible LOT on which I reside, containing one acre, is from its elevated situation, amongst the most valuable in the city; it lies between the Eagle Hotel, and Newbern Branch Bank, and near the State Bank and State-House. Likewise, two other lots, one of one acre, and the other over one and a half acres, with small improvements, in a convenient part of the town and Folkborough. I will take a reasonable price in cash or young negroes, for all or any of the above property; or if more agreeable to the purchaser, I will give six and nine months' credit on one half the purchase money, by giving negotiable paper, payable at either of the banks in this city. I have a parcel of household and kitchen furniture and plantation utensils, that I will sell low, for cash only. Application may be made to me, at any time before the 32nd of September next, if not sold before that day, I propose then selling the land, mill and crop; and on the 23d sell the balance here in the place.  
I take this opportunity of informing all those who have any claims against me, to bring them forward for adjustment; and all those who are in arrears with me, to call without delay and make payment, as no longer indulgence will be given.  
J. SCOTT.  
July 13, 1815. 29-4f.

N. B. On the second day of sale, (Sept. 2) I will to the highest bidder, for cash, TEN SHARES in the State Bank. I wish to return my sincere thanks to a generous public for past favors, and inform them that I have just received from New York and Philadelphia, a handsome assortment of Jewelry; some good Gold and Silver Watches; a parcel of good Silver Spoons made in my shop; silver-mounted Swords, with Epaulettes & Plumets, at N. Y. Prices. I will have finished, in a short time, a parcel of good eight-day Clocks, warranted to be of the best kind, and on the lowest terms. I have a very good workman, and all materials for clock and watch making, and will repair and warrant all kinds of watches, clocks and time keepers of the most complicated nature, and will continue to do, and have done every thing in my line as formerly, so long as I remain in this place.

## POSTAGE.

THE great difficulty hitherto experienced, in collecting a large portion of the quarterly accounts due at the Post Office, imperiously requires a reform. Notice is therefore respectfully given to those to whom it may be inconvenient to call & settle in the 1st weeks in January, April, July & October, that application will be made to the principal, and in his absence, to his agent, or nearest friend; if the account is discharged, all is well; if not discharged on the one application all future letters must remain in the office, till the postage is paid on them. We hope that a rule so necessary and reasonable, will give no dissatisfaction.
