PETITION.

To the Public.

M R. GALES, Sir, in the negative of Hardy Hurdle & last, I observed a piece signed by Hardy Hurdle & Christian and R. GALES, Sir, in the Register of October the 13th others, in which my Character, as a man, a Christian and a Minister of the Gospel is severely handled. Newspaper controversics rarely if ever have any good effect, more particularly when the conduct and character of individuals in an humble station of life is the subject-Nor is it my intention at this time to follow the example that is set me, to heap slander upon those who have so rudely and I think so unjustifiably attacked me. My object is not to injure but to defend; and I thank God that I am a citizen of a country in which the laws are open to all, from the highest to the lowest. The individuals who have signed the piece alluded to must have expected an effort on my part to show myself innocent of the charge allegded against me-I have done so; I have resorted to the laws of my country; those laws which will throw their pro-tection around the defendants, if they have truth on their sides Upon the truth or falsehood of the piece then. I have placed those who have published it-if it be true that I have raised against the D-ep Creek Baptist Church reports false and degrading; if I am a disturber of their peace and all impostor and hypocritical intruder into the Baptar Society; if I have published of said society gross and unfounded falsehoods; if it be true that I have cir-culated of elder Wm. P. Biddle, a tale disgraceful to his character, & afterwards, being in his presence, denird it, and gave him a certificate that he was clear of such a re port, and myself a liar; if, I say, all this be true, then surely the gentlemen can prove it ; To that proof I have invited them, and upon its issue I am willing to rest In the mean time Sir, through the medium of yout poper & Mr. Henderson's I wish to solicit those who may have read the piece, to Take Notice I am Not a Member be-longing to that class of people called Baptists I own I am a Baptist by profession, but am quite of a different beine from them : for this came I am out at number belief from them ; for this cause I am set at naught. I pray the charity of the public and all Christians to suspeak the charity of the public and all Christians to sus-pend their opinions until the cause is tried, which will establish the truth or falsehood of the libel. I acknow-lidge sir, an individual like myself occupying a station in life so humble, has no right to obtrude his private affairs upon the public. I have been dragged before the public, and am entitled to be heard. But althonot one in a hun-dred, perhaps not one in a thousand, who may have read the piece alluded to ever heard the name of Frederick Fraveilla-Wat there are some who know him and to Fonveille-Yet there are some who know him, and to whom his reputation is dear, and who likely have read it; For the sake of those he asks not to be condemned una containing 655 Acres. This land is of the best qua-for tobacco, wheat and corn: it has a very good elling house, and all out houses in good repair. It is hearts / before whom I am willing to meet all my accu-narkable for its healthiness and will afford an eligible sers on the great day when the secrets of all hearts shall be disclosed --- then the innecent will be set free and the series of the secrets of all hearts the guilty condemned!
