The bill for Catholic emmelpation be been rejected by a majority of 39 in the

Mr. Lambton's motion for Parliamenta reform was discussed in the House of Con mons on the 18th, when there appeared the motion 43, against it 55-only 102 men

bers were present. The House of Commons adjourned on to 19th to the 30th u't. No particular buster had been attended to.

The British Packet Lady Wellington, a rived at Falmouth on the 17th utt. from Ner Yurk.

A vessel has arrived in the Downs from Madagascar, having on board Prince Raba and ten other Madagascar youths. Ratiki a native Prince, and has been sent to Engl by Radama, King of the Island, on the ocosion of a ratification of a treaty with his Mo jesty, by which the stave trade has been had ly abo ished in its greatest market in the m

tern hemisphere. A letter from Paris of the 14th, states, the advices had been received there frem to lonian Islands, by which it is secertain that the Morea and the southern Province of Greece are manifesting the same spirit insurrection against the Turkish power if those in the North. Some Greek officin who acquired their experience in mi tactice in the British service, are at the hel of the Insurgents, who were collecting i

large bodies. Canova has just finished a noble statue de horse which be prides himself upon as on of the very best works he has produced.

The Courier of the 26 h contains seven extracts from a document said to have be nution, anterior to his departure from the Neapolisan territory He first relets to the had been rewarded ; expresses his detent tion of the conduct of those who guided thri councils, and the baseness of their condet on every occasion when the enemy made his appearance. He says " you Acd, you desert ed, you submitted ; and submitted upon the terms of the corqueror; and this trop in the face of all your protestations, of all your pro-tended enthusiasm for liberty and independence."

Of himself he observes, "that I am it exile, is nothing. I am content to suffer, and would gladly suffer much more, could I bear fit the land in which I was born I have done my duty, and that is alone the consolstion that is left me."

A Royal Edict (-igned by the Marquis de Circello, President of the Provisional Govern ment,) has been issued at Naples subjecting in agiraordinary measures, all secret socie-ties, or individuals who shall favor them de-The Provincial Government of Naples has

uspended the forced loan of three millions. An Agetrian corps is marching for Genos, and will take possession of it in the name of the King Victor-Emmanuel.

The Bishop of Novara, who went to Mode-14, on a mission from the Predmontese Government to the Do te de Genevois, was not received by that Prince He consequently withdrew to Bologue and wished to retire to Rome, but the Ho'y Fathe'r refused him per-

Gen. Frimont has sent flage of truce from Napies to Sicily, and other parts of the King-

Brussele papers to the 17th have been re-" If we may credit the reports in circuis-

tion," observes the Augsburg Gazette, "the remer of Carignan has been arrested by some redmontese soldiers just as he was going to

cater the Milanese Territory."

On the information that the rehels, to the secont of 5000 men, had left Atessandria to strange to Morars, and induce the Royal traps to desert. Gen Count Bubna passed the Pesino on the night of the 7th of April at the head of the Justian troops, and proceedalso to Novara. The rebots were soon put fight. Un the 10th the advanced guard of e Hoyal army entered Turin, and a part scup ed the citadel. Gen Latour arrived to hours afterwards, with the rest of the roops. He intended to march to Alessandria the news of the surrender or dispersion of he garrison did not arrive, as was expected during the evening of the tenth. General Letour published a proclamation to the in-
