A more sensational indictment of community has not been made in this State in a long time. Judge Meekins said:

If Elizabeth City firemen or some local civic organization will sponsor it, the famous U. S. Army Band of Washington, said to be the greatest band in America, will give two concerts in Elizabeth City this

The Army Band is the president's own band and is seldom heard outside of Washington. It is an organization of 80 pieces, much larger than the U. S. Navy Band which scored such a success here two years ago. The Army Band is going on a short tour the first of the year and it was proposed to send it to Washington, N. C., as a compliment to Congressman Lindsay Warren whose home is in Washington.

"Very fine, thank you," wrote back Lindsny Warren, "but I've got a lot of friends in Elizabeth City and the counties North of Albemarle Sound: can't we get the band for Elizabeth City too?" And Washington has said yes.

It will cost \$1,200 to \$1,500 to bring this big band to Elizabeth City. There isn't going to be much chance for a local organization to make any money out of it, but Mayor Flora is anxious to see the Fire Department sponsor the big band for two concerts, matinee and night, if the citizens will cooperate. Mayor Flora thinks it could be handled thru the Fire Department with a number of guarantors, after
