Perensburg, June 30 .- Northern dates of the 27th received. Herald says the enemy progresses slowly but with large force into Pennsylvania. Affairs at Harrisburg bear a more quiet aspect, though the country people, with droves of cattle and horses, are rushing into the city, in large numbers. Preparations for defense are going on rapidly. Gen. Knipe has evacuated Carlisle, but at last accounts the rebels had not occupied the town .-Much perplexity exists as to the exact route the rebels have taken. Early's division is at Gettysburg, and Rode's division is at Chambersburg.

Gen. Milroy has been superceded by Col. Pierce. The Herald publishes very interesting news from Port Hudson. A second assault was made on Port Hudson, on the 14th instant, by the Union troops and they were again disastrously repulsed. The loss of field officers was very arge in killed and wounded, amounting to no less than five Colonels. The Federals, though repulsed, fought

ENGAGEMENT NEAR SHELBY VILLE-OUR FORCES DRIVEN BACK, &C.

There was a sharp engagement between a portion of the forces of Bragg and Rosencrans on Wednesday last .-We copy the following letter from the Appeal:

CHATTANOOGA, June 26th, 1863.—It is generally believ ed here that Rosencrans is advancing to attack Bragg Reports reach us from "over the border" of recent reinforcements to the Federal army, and the impression prevails that Rosencrans, having by some means, perhaps through his own industrious system of espienage, learned of the recent Federal raid into Knoxville, has determined this the best moment to attack Bragg's position, and in that way do something to relieve the Federal perplexities

On Wednesday Bates' and Liddell's brigades were attacked at Hoover's and Liberty gaps by seven brigades of the enemy. Our men fought the enemy with desperate valor, until their amounition supplies were exhausted, and were compelled to fall back. Ben. Bates was holding Hoover's gap and Liddell was defending the Liberty gap. Many valuable officers were lost in Liddell's brigade. In Bates' brigade I learn that Major Fred. Claybrooke, of the 20th Teanesse regiment, was killed. As yet I have received no particulars, nor a list of the casualties. It is reported by passengers from Tullahoma, that the loss in Liddell's brigade will not exceed seventy-five or one hun

dred men. The loss in Bates' brigade is not known. The rumor was current on the streets yesterday, that our troops at these two gaps were surprised by the enemy, as a reason of their inability to hold them in check. Various other conjectures are put forward: but it is more likely that our in n, with exhausted ammunition, and contending against a very superior force, could not hold the position, and so fell back on Bellbuckle station. It was reported that fighting was going on all day yesterday. The recent heavy storms prevented the regular press dispatches last night, and I await further particulars by the down train to night.

The Relad has the following relative to the same affair: A heavy storm of wind and rain prevailed along the southwestern line last night, preventing the reception of our regular dispatches from the army of Tennessee.

From passengers who came down on the afternoon train vesterday, we learn that on Wednesday seven brigades of Rosencrans' army attacked the brigades of Gens. Bates and Liddell, holding Hoover's and Liberty Gaps. Our men fought the enemy until their ammunition was exhausted, when they fell back.

The movements indicate a general advance of the ene inv's forces, which may result in a pitched battle soon. We regret to learn that among the killed in General Bate's brigado was Maj. Claybrooke, of Williamson county. Gen. Liddell, who has been in the front for several months, lost some valuable men and officers.

To the Voters of the Fifth Congressional District .- The emergency calls for the purest and ablest men to serve the country in her Legislative Councils. The well known character of Captain JOSEPH J. DAVIS, of Franklin, for patriotism, integrity and wisdom, plainly indicates him as the fittest man in the District to represent us in the next Congress. Captain Davis is now leading his gallant company against the invaders of his country, January, June to. Osheial dispatches from Gen. Dick | idea of voting for him for Congress or any other civic posiand does not even dream of his friends entertaining the Taylor, at Al Sandria, 26th, says he stormed and carried | tion, at this time; but we are confident that he will skrink from no responsibility to which his fellow citizens may call him. Well known and universally respected as he is, Franklin County offers her noble son to the voters of the District in full confidence of his election, on account of his own unpretending merit, and for the good of the country. Patriots, your suffrages are asked for a wise and prudent statesman, and gallant soldier.

JUSTO LIENDO TRACT. THIS TRACT OF DESIRABLE LANDS WAS SE. lected for his home site many years since, by Col. M. B. The property has never passed out of his family, since its purchase by him, and one-half of it only is now offered for

sale for a change of investment, and will be sold in parcels of one-fourth of a league, or 1,100 acres each, It is situated in Milan county, within the TEMPERATE AND SHOWERY BELT OF TEXAS. about 45 miles North-Eastward from the Capital of the State, and about 55 miles Northwestwardly from Bren-

ham, the present terminus of Railroad communication with Galveston and Houston. The tract is divided in two nearly equal parts by Brushy Creek, (emptying into San Gabriel river,) and comprises an admirable combination of lands for agricultural and pastural pursuits.
