BUREAU OF CONSCRIPTION, ) Richmond, Va., July 21st, 1863. To answer numerous inquiries, and to correct errors not uncommon, the following notice is published to all con-

I. Under the recent call of the President, extending the conscript age, all substitutions have ceased to be valid if the substitute be less than 45 years old and is not otherwise exempt by law.

11. Membership, unless as an officer duly accepted by the War Department, of local organization for home defence or special service, confers no claim to exemption from Confederate service; neither does service in the militia, unless in case of officers actually in commission who

have duly qualified. III. Hereafter any one furnishing a substitute will become liable in his own person whenever the services of the substitute are lost to the Government from any cause other than the casualties of war.

IV. Applications for exemption, on any ground whatever, must first be addressed to the local enrolling officer, who, if he has not power to act, or is in doubt, will refer them to higher authority, with report of the facts. All such addressed direct to higher authority will necessarily and invariably be referred back for local examination and report; and the applicants will thus have uselessly lost

Appeals against adverse decisions by local officers will be forwarded by them for hearing, when any plausible ground of appeal is set forth. V. Commandants of Conscripts will give this notice ex-
