Cor. Main St., and Market Square,

Four thousand persons in Switzerland are employed in match making. Roman Catholic newspapers are in creasing rapidly in number in England.

John Grosse, a German, who has long been employed by the Mechanics' Na-The New Orleans Crescent of the 27th | tional bank, at the corner of La Salle up to the receiving desk the clerk was engaged for a few moments before being ready to wait upon him. Recognisapprehensions occasioned by the early his errand, the clerk asked him for his money. The old gentleman replied: "You have it, haven't you?" The clerk assured him that he had not. Two strangers had been seen at the desk, one on either side of Grosse, a few moments before. The one on his right turned to him with the interogatory: "Is that the people's dispatch ?" pointing to the opposito, aida of the room. The old man partially turned around, to look in the direction indicated, and replying affirmatively, the man walked away. Upon resuming his position at the desk his package of money, which had been lying by his left hand, was gone. The stranger on his left had also disappeared. The

Persons having Agricultural and Mineral Lands, Water Powers, Town Lots and all kinds of Real Estate for sale, are respectfully invited to place them in our hands for that purpose, as our facilities for bringing purchasers from Northern States and placing property prominently before the public, through our advertisements, and also Family Grocers and Commit Stotics through our agencies and correspondents in the North and West, are unsurpassed. We are now waiting for lands to be placed in our hands for sale in order to sell to a party of substantial farmers from the North.

Persons at a distance wishing to place property in our hands should give us an accurate description of the same. If Agricultural Lands, they should specify the soil, number of acres of cleared and timbered lands, the kind of timber. what is raised on the land, what kind of improvements are on the premises, how far from rail-Street dresses are still worn short in watered, &c.
