Table with columns: Name, Votes, Total. Includes entries for Capt. Marshall's Co., Dana's, Brand's, Fowler's, Underhill's, Harris's, Jones's.

At a meeting of Capt. Brown's artillery company, in this place, on the 14th inst. a vote was taken on the Presidential question...

The vote of Capt. Thompson's company, on the same day, was, for Gen. Jackson, 43; Mr. Crawford, 23; Mr. Adams, 12; Mr. Clay, 3.

It is true that many of the votes taken on these occasions cannot be legally received at the election in November next...

The court for this (Cumberland) county was held in this place last week; we understand that the Grand Jury expressed their sentiments last Thursday on the Presidential question...

SOUTH-CAROLINA.

At a meeting of a number of citizens of Richland district, friendly to the election of Gen. Andrew Jackson as President...

Resolved, that we are decidedly in favor of Gen. Andrew Jackson to the Presidency, and John C. Calhoun for the Vice Presidency...

Resolved, That we will not give our support to any candidate in the Legislature, unless he is decidedly in favor of the election of the before named gentlemen...

At a meeting of Captain Daniel Smith's company, in Newberry district, S. C. which took place on the 4th inst. the sentiments of the members were taken by vote on the Presidential question...

At the same meeting, a resolution was unanimously passed in favor of supporting no man to the legislature, unless he was decidedly in favor of the election of Gen. Jackson to the next presidency...

ALABAMA.

Mr. Clay withdrawn in Alabama—It gives us great pleasure to announce to the friends of General Jackson in Ohio, and to the cause of the people throughout the Union...

In the Huntsville "Democrat," the leading Clay paper in Alabama, of the 10th instant, it is stated, that the friends of Mr. Clay acknowledge their minority, and are determined to support the ticket of Gen. Jackson...

We say it once for all, without the fear of contradiction, from any thinking impartial man, who has such information on the subject, that Gen. Jackson will receive the votes of this state...

INDIANA.

Agreeably to public notice, a register was opened in this place some two or three weeks since, in which the friends of the different candidates in Knox county were requested to enter their names...

I shall continue to publish the state of the register from time to time, but have no doubt that the ratio in this county will continue about as above quoted.

On Monday, the 2d inst. at the annual election, in Washington, Dearborn county, Indiana...

For the purpose of ascertaining the strength of the different candidates for the Presidency...

At a meeting, near Salem, Washington county, Indiana, on the 21st July, it was agreed to take the sense of the company on the next Presidency...

OHIO.

The great popularity of General Jackson in Ohio, and the strong and decided expression of the people in his favor, can leave no doubt on the mind of any person who possesses extensive information on the subject...

At an election of officers for the original surveyed township No 5, Range 3, in the Miami Purchase, held at said township, Warren County, on the 10th inst. the vote on the Presidency was as follows: for Jackson, 109; Adams, 31; Clay, 1.

The increase in popularity of this distinguished hero, has far surpassed the most sanguine expectations of his most ardent friends, in this section of the country...

In addition to the sentiments expressed at the township election, held at Mr. Hatfield's, two miles north east of Lebanon, on the 10th inst. (when Jackson had 100 out of 132 votes) the sentiments of Captain Fox's Company of volunteer Riflemen was taken at a muster held at Mr. Mollford's (4 miles west of Lebanon) on the 13th inst. which resulted as follows: JACKSON, 50; Adams and Clay, 7.

From almost every county of the state, we learn that General Jackson is gaining beyond the calculations of his most sanguine friends. That in many places nearly all opposition has ceased...

At an officer muster, held at Georgetown, Brown county, on the 27th of last month, of the commissioned officers of the 4th Brigade and 8th Division of the Ohio Militia, a vote was taken on the Presidency...

The Georgetown Advocate of the 30th informs us, that a large number of spectators were at the above meeting, who were almost unanimously in favor of Jackson. The officers present were from every part of the county, and the result may be considered a fair criterion of the public sentiment.

Since the above was prepared for the press, we have received the following proceedings of a meeting held at Lebanon, Warren county, on Saturday last, where a vote was taken on the Presidency...

We have just seen a gentleman from St. Charles, who informed us that a short time after the opening of the polls, it was suggested to keep a separate vote for president, and the votes stood thus, for Jackson, 96; Clay, 23; Adams, 23.

We learn from St. Francois that a poll was also opened at one of the township elections, and Gen. Jackson obtained all the votes but one, which was for Mr. Adams.
