

Report of the Public Treasury, which was recently received in our last publication for the week of Jan. 11th.

On Monday last, the anniversary of the North Carolina Bible Society, was celebrated in the Methodist church, in this city, by the Rev. Mr. HANNIT, of Fayetteville.

Notwithstanding the inclemency of the weather, the congregation was unusually large. In addition to the respectful attention of the citizens, the meeting was honored by the presence of nearly all the members of both houses of the Legislature. The text was taken from a portion of the Bible which has ever been admired even by the most illustrious orators—the 19th Psalm, v. 7, 8.

The subject was well selected for the occasion, and ably delivered. It was the object of the speaker to impress his audience with a deep sense of the value of the Bible, in which he was not deficient. It was clearly shown that the sacred canon is the foundation of all true wisdom, virtue and happiness; and that it is an infallible guide to a glorious immortality, and the basis of all good government. The discourse was logical, historical, poetic, eloquent, and was heard with profound attention, and succeeded in subscribing the noble cause in the behalf of which it was delivered, as will appear from the amount of contributions, as well as the general sentiment expressed in social circles by those who heard the discourse. The amount collected is fifty-six dollars, six cents.

The anniversary of the Female Benevolent Society, was delivered on the same day, at the Presbyterian church in this place, by the Rev. Mr. GAVRON, of Hillsborough. As both discourses were delivered at the same time, we did not hear Mr. Green's, which, we are told, was handsome and appropriate. We have not yet learned how much was collected.

The anniversary of the memorable 8th of January, 1815, the day on which General ANDREW JACKSON, at the head of the American army, achieved the glorious victory at Orleans, was celebrated in this city, on Monday night last, by a splendid Ball at the Eagle Tavern.

The National Intelligencer states, that the Bank of the United States has declared a dividend of 3 per cent upon the profits of the institution for the last six months.

JOSEPH KENT has been unanimously re-elected Governor of the State of Maryland for the ensuing year.

JAMES NORRIS, of Indiana, has been re-elected Senator to Congress from that State, for six years of March next, when his term will have expired.

It is understood in Georgia that Gov. TRACY is not a candidate for Governor, and that Mr. FENSTER is the only candidate before the people.

In the Ohio Legislature a bill has been introduced to reduce the compensation of the members to one dollar twenty-five cents a day, which was lost by a majority of three votes only; subsequently it was fixed at two dollars a day.

RALEIGH.

FRIDAY MORNING, JANUARY 12, 1827.

On Saturday last, the Editors of this paper were elected Printers to the State for the ensuing year. The votes were as follows:

1st Balloting.		2d Balloting.	
Lawrence & Lemay,	100	102	
Jos. Gates & Son,	86	81	
Blank,	1	3	
Bell & Lemay,		1	

We should do injustice to our own feelings, had we wanting in courtesy to the Legislature, not to embrace this opportunity of tendering to that honorable body our grateful acknowledgements for their kindness. We assure them that we are deeply sensible of the obligation under which their favor has placed us, and that every exertion will be made on our part to convince them that their confidence has not been misplaced.

On Tuesday last, the Legislature proceeded to the election of two Judges of the Superior Courts of this State, to supply the vacancies occasioned by the resignation of Judge NASH and the death of Judge PATTON; when ROBERT STRANGE, of Fayetteville, was elected. The votes were as follows:

Robert Strange,	109	
W. P. Mangum,	73	
James Martin,	33	
Joseph Pickett,	45	
Theo. P. Devereux,	59	
H. H. Burton,	58	
Blank,	23	
Scattering,	4	

On Wednesday, two ballotings took place for the other Judge, which resulted in the election of JAMES MARTIN, of Rowan county.

Mr. Pickett was withdrawn after the balloting on Tuesday.

A law has been passed by the Legislature of Tennessee, the object of which is to prevent the depreciation of the notes of the Nashville Bank.

A recent fire at the Saratoga Springs, destroyed the Academy, a tavern, a store house, and another building occupied by Judge Cook.

A large number of highly respectable free people of color, it is stated by the Raleigh papers, were about to embark in the vessel called Dorris, at Baltimore, for Liberia.

The Legislature of Missouri assembled on the 20th ultimo. Alex. Stuart was chosen speaker of the H. R. The Lieut. Gov. presides in the Senate.

The Legislature of New-York assembled at Albany on the 1st inst.

The Legislature of S. Carolina adjourned on the 26th, and the Legislature of Georgia on the 23d ult. On the next morning after the adjournment of the latter, Capt. W. W. BAKER, the senator from Liberty county, set out for home; but he had not proceeded far before his bright prospects of soon meeting the welcoming smiles of his family and the salutations of his friends, were blasted forever. His horse took fright, and ran away; and he, in attempting to pump out of the carriage in which he was riding, received a wound which, in a few moments, put an end both to his flattering hopes and mortal existence. His remains were carried back to Milledgeville, and on the next day honorably interred.

A resolution has recently been unanimously adopted by the Legislature of Tennessee, directing that a sword, with suitable engravings thereon, be prepared, at the expense of the State, and presented to major general Wm. Cannon, as a testimonial of the high respect entertained by the state of Tennessee for his public services.

The sch'r Samuel Trovwell, Capt. Edmundson, of the port of Eden, and, we regret to learn, recently lost at sea, and whose crew were perished.

Supreme Court.
Thursday, Jan 11.—The case of *Doe vs. the executors of Frederick Taylor* et al. vs. *Mary Saunders*, appellant, was argued by Mr. GAVRON for the appellant, and Mr. HANSEN for the appellee.
Friday.—In the case commenced on yesterday, Mr. HANSEN concluded his argument, and Mr. GAVRON replied.
Monday.—*William Bryan & others, executors of John Griffin*, deceased, vs. *Griffin et al.* bill of review to reverse a decree heretofore made dissolving the plaintiffs' original bill. Mr. GAVRON argued this case for the plaintiffs.
Tuesday.—Mr. GAVRON argued the same case for the defendants, and in support of the former decree.
Wednesday.—Mr. GAVRON concluded his argument in the case last noted.

It is reported (and believed) that JOHN R. POLKETT has been nominated by the President of the United States to the Senate, to be Minister to Panama, alias Tacubaya, vice RICHARD C. ANDERSON, deceased.

It is also reported (and believed) that WILLIAM JONES has been nominated to be Collector of the Revenue for the port of Philadelphia, vice JOHN STRECK, resigned.—*Nat. Int.*

A scene of some little interest has been exhibited in the Legislature of Illinois. Mr. Field submitted the following resolution:

"Resolved by the Senate and House of Representatives of the people of the State of Illinois, in General Assembly convened, That the elevation of *John Quincy Adams*, to the office of President of the United States, by Congress, was against the clearly ascertained will and wishes of a majority of the people of this Union; and that he owes his elevation to that office, to bargain, management and intrigue.
Resolved, That General Andrew Jackson, from his known talents, integrity and unswerving republican principles, be recommended to the people of this Union, as a competent and fit person, to be supported for that high and responsible station."

On the 11th Dec. the House went into committee of the whole on these resolutions. A warm debate ensued. On the next day Mr. Reynolds of Randolph submitted the following substitute:

"Resolved by this House, That, should the members of this House have the most perfect confidence, in the stern integrity, ability and republican principles of General Andrew Jackson, and believe him entitled to fill the next Presidential Chair, yet believing it a subject proper for the consideration of the people, and not of legislation they deem it inexpedient to adopt any recomplementary resolution."

Upon this substitute, the House was equally divided, 18 and 18.—Mr. Field then moved to amend the original resolution, by striking out all after the word "Resolved" in the first resolution, and inserting a resolution in substance nominating *Gen. Andrew Jackson*, as the successor of Mr. Adams; which was lost by a vote of 19 to 17.

On motion of Mr. Blackwell, the committee rose and asked to be discharged from the further consideration of said resolutions, which was assented to by the House. The resolutions were subsequently laid on the table, subject to the order of the House.—*Rich. Eng.*

NEW YORK, JAN. 2.—NOON.—The Court of Oyer and Terminer assembled this morning, when Henry B. Lambert, and Samuel F. Lambert, were sentenced to the Penitentiary for one year, and Charles Mowat, and Thomas Hyatt, to the same place for two years. Hyatt did not appear, and his bail was called on for the amount of his recognizance.

[These are the persons convicted of conspiracy to defraud certain mercantile institutions.]

Tarboro', Dec. 26.
Afflicting Casually.—It is with the most painful feelings, that we announce the sudden death, on Sunday morning last, of Dr. David Dancy, a citizen of this town. He had been to Williamston to attend the funeral of his brother-in-law, Mr. Henry B. Hunter, Clerk of Martin County Court, who died on the preceding Wednesday; and returning on Saturday evening, at the residence of Mrs. Slade, near Williamston, the Doctor in attempting to get in his rig started the horse, which commenced kicking and unfortunately bruised him in such a manner as to occasion his death early next morning. Before any medical assistance could be procured. Thus has an amiable and tender-hearted man been almost simultaneously deprived of a brother and a husband.—*Free Press.*

COLUMBIA.
New York, Jan. 3.—Morn.—We are favored with the following interesting extract of a letter from Caracas, dated November 27th, three days later than the advice by the Columbian: "General Paez marched from this place on Saturday evening, (the 25th) for Paria Cavillo, and the general impression is that blood will be shed. This city was declared under Martial Law yesterday, and it is reported to day, that orders are issued for every man to turn out on military duty. Previous to the departure of General Paez, Mr. Mendoza, the Intendente of this department, was removed, and Mr. Echeveriz, appointed in his place."
From the above, and the last accounts from Cumana, we have ample proof of the commencement of a civil war in Venezuela, and from the character of Paez, and the desperate situation in which he is now placed, it is feared he may be induced to commit the most violent acts. In such case, the American merchants are wholly unprotected by their Government,

and liable to be plundered of all their property, which must amount to a very large sum. They earnestly urge our Government will no longer delay to send an armed vessel to *La Guayra*.—*ibid.*

DEATH.
On the 26th of November last, in the 41st year of her age, Mrs. Judith KYLE, widow of James D. Taylor, Esq. of Rowan county, N. C., of a pulmonary complaint, after a protracted illness of four or five months in the possession of her Maker. She was formerly of Amelia, Va. This quiet, unobtrusive, and devoted wife, is a worthy addition to the many of our countrymen, who have been called to their final rest. It troubles us much for all over.

Nashville Male Academy.
The Trustees of the Nashville Male Academy, take pleasure in informing the public, that they have as length succeeded in employing the Rev. John Armstrong, as Principal in this Institution. This Gentleman produces the most satisfactory testimonials of his pre-eminent qualifications as a Gentleman, a Divine, and a Teacher. He is a graduate of distinction in the Columbian College, D. C. from which, besides his Diploma, he brings the most flattering testimonials of character and acquirements, from the Revd. Doctor Staughton, President of the College, the Revd. O. B. Brown, President of the Board of Trustees, besides the highest recommendations from the Rev. E. Baptin, of Virginia, and very many other distinguished names equally satisfactory.
Mr. Armstrong has taught the past year in the Gateville Academy, Va. Dr. Wharton and Dr. James of Va. and others, afford the most ample testimonials of his success in Teaching. To all of which the Trustees would superadd, that in an interview with Mr. Armstrong, and an examination of his credentials, and method of Teaching, they are abundantly satisfied, and can with pleasure and confidence, recommend him to the public.
The School will go into operation on the 5th day of January next. The price of Tuition will be \$3 per session for Reading, Writing and Arithmetic—\$40 for English Grammar, Geography, History, &c.—\$10 for Latin, Greek, French, Astronomy, Natural and Moral Philosophy, Mathematics, and all the higher branches of Arts and Sciences, to be paid in advance. The Trustees have obtained from Chapel Hill, the System of Studies taught there, and the course of Studies in this Academy will be precisely such as to prepare Students from this School to enter with ease the Freshman, Sophomore, Junior, or even Senior Class of our University.
The Trustees are well aware of the inconve-niences that a young man labors under, who enters College, having pursued a course of studies different from that taught in the University, and they are determined to have an eye to it.
Board can be had in respectable houses in the Village at \$37 50, per session.
The character of Nashville is so well established for health, that it is deemed unnecessary to say any thing here. There are several never-failing Springs of excellent water near the Academy.
The Trustees are convinced that no Academy ever succeeded under more favorable auspices. Indeed, if a distinguished Teacher, healthiness of situation, cheapness of terms, and vigilance in the guardians of the school, can recommend it to a generous public, we are assured that this Institution will be very liberally encouraged.
By order of the Board,
H. BLOUNT, Secy.
