LAWRENCE & LEMAY. FOR THE STAR.

may tell us all this and whatever they. To which we answer, we will vote as please, and that we cannot see any danger at is likely to follow the re-election of the man from the people "delight to honor." R. MURCHISON,

Legislature of Virginia .- This body et on Monday the 5th instant. Ling anks was elected Speaker of the House

eaker of the Senate.

The conspiracy was at first believed with the total properties of all victo service a force unificiant to the design of the construction of the co

ors from the ship Natchez, under his marked the progress of Legislation. command, who not with standing they had the slave is confined by law to the ex-just returned from a long and distant tate of his master, as it is advisable he cruise, repaired to the scene of action should be—the free people of color tray with a highly creditable alacrity. Much nevertheless convey all the incentiony is also due to Colonel House, then company pamphlets and papers with which we manding officer at Fortress Monroe, for are sought to be inundated. This class similar praise is due, as likewise to the amongst us. Though it will be indis-officers and soldiers under his com-mand, for the promptitude with which draw from this community, yet in the mand, for the promputate with which draw from this community, yet in the they also repaired to our assistance, so spirit of kindness which has ever characous it came to their knowledge; all acterised the Legislature of Virginia, it is submitted, whether as the last beneat before they reached their point of fit which we can confer upon them, it destination, but they are not the less may not be wise to appropriate annual-entitled to commendation on that account.

bloody tragedy have explated their apprehensions in the minds of a few, crimes by undergoing public execution, some agitation was also more extensibility some who had been condemned sively full; wherefore it was deemed have been reprieved for reasons which pendent, to arm the militia in the manwere deemed satisfactory. There is ner calculated to quiet all apprehen-much reason to believe the spirit of in-sions, and arms were accordingly fur-surrection was not confined to South-nished to nearly all the regiments on ampton; many convictions have taken the Eastern frontier. The want of place elsewhere, and same few in distant them, upon this sudden emergency, counties. From the documents which was so sensibly felt by those in the villar and the place of Norfolk, as to induce Commomuch reason to believe those place of dore Warrington, in command of the treason, insurrection and marder have Navy Yard in Gosport, to distribute a been designed, planned and matured portion of the public arms under his by unrestrained fanatics in some of the care. That gallant and patriotic office neighboring States, who find facilities cer did not hesitate to assume the resistant patriotic of the public arms under his proposition of the public arms under his public arms under indid theirs—these and every other consumptions to the Presidency intel States. On the account Thursday mongst our population, either through the prest office, or by agents sent for the presidency for the next to is hoped that every American voter of the Presidency for the next to is hoped that every American voter of the Presidency for the next to is hoped that every American voter of the Presidency for the next to is hoped that every American voter of the Presidency for the next to is hoped that every American voter of the Presidency for the next to is hoped that every American voter of the Presidency for the next to is hoped that every American voter of the Presidency for the next to is hoped that every American voter of the Presidency for the next to is hoped that every American voter of the Presidency for the next to is hoped that every American voter of the Presidency for the next to is hoped that every American voter of the Presidency for preservation, so that officers had been culpably negligent in their attention to their preservation, so that officers had been culpably negligent in the Governors of some of the neighboring States, who find facilities cer did not hesitate to assume the responsibility of this step, and it is graiting that state of this sponsibility of this step, and it is graiting the prest office, or by agents sent for the presidency of the public functionaries.—The policy of disagning the militia, it is believed, was pursued as a measure of a convention. Then will the prest office, or by agents sent for the presidency of the public functionaries.—The policy of disagning the militia, it is believed, was pursued as a measure of a convention. Then will the prest office, or by agents sent for the presidency of the public functionaries.—The policy of disagning the accions of the act of the presidency of the presidency of the presidency of the presidency of the presid

been the negro Preachers. They had acquired great ascendancy over the Delegates, and William C. Holt minds of their fellows, and infused all the recently spring up in the county of Sarry, their opinions, which had prepared (Eng.) one of whose tenets is to salite each other their opinions, which had prepared (Eng.) one of whose tenets is to salite each other
