YOUNG MEN . specially, who have become the victims of Solitary Vice, that dreadful and destructive habit which at nually sweeps to an untimely grave thousands of Young Men of the most exalted talents and brilliant ntellect, who might otherwise have entranced listenng Senates with the thunders of eloquence, or waked o ectasy the Lying lyre, may call with full confidence.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and ocnfidently rely upon his skill as a Physician.

ORGANIC WEAKNESS. immediately Cured and Full Vigor Restored. This Dreadful Disease-which renders Life miserable and Marriage impossible-is the penalty paid by the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understar ds the subject will preten. to deny that the power of procreation is lost sooner | ces sizes from the smallest Infant's to the largest Laby those falling into improper habits that by the pru-dent? DR. JOHNSTON. Member of the Royal College of Surgeons, Lerson graduate from one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and els-where, has effected some a" the most astonishing cures that were ever known : many troubled with ringing in the head and ears when asleep, great nervousaess, being alarmed at serden sounds, bashfulness, with frequent blushing, attorded sometimes with a derangement of mind, were . . red

TAKE PARTICULAR NOTICE Dr. J. addresses all those who have injured ti cmselves by improper indulgence and solitary hapits, which ruin both body and mind, unfitting them for either business, study, society or marriage THESE are some of the sad and melancholy effects produced by early habits of youth, viz : Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Less of Muscular Power, Palpitation of the Heart, Dyspepsy, Nervous Irritability, Derangament of the Digestive Function, General Debility, Symp-

YOUNG MEN. Who have injured themselves by a certain practice ndulged in when alone—a habit frequently learned from evil companions, or at school, the effects of which are nightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both, mind

and body, should apply immediately. What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons MUST, before contemplating

MARRIAGE. reflect that a sound mind and pody are the most neces sary requisition to premote conubia happiness. Indeed, without these, the journey though life becomes a weary pilgrimage; the prospect hou ly darkens to the view; the mind becomes shadowed with despair and filled with the me ancholly reflection that the happiness of another becomes blighted with our own

THE OLD-LINE GUARD WILL BE ISSUED ON Tuesday, the 17th of July, 1860, at Indianapolis, In This paper will advocate the election of those true, tried, and patriotic Statesmen John C. Brechinging, of 4 Old Kentucky." and Genl. Jo. Lane, of Oregan, for the Presidency and Vice Presidency.

A period has arrived in the history of the old time-hon? ored Democratic Party, when it becomes the solemn duty of those who love principle more than men, to take consel of their judgments, rather than personal preferences and prejudices, and sta d forth calmly, firmly in defence of the sight. We feel that we are doing this in nailing to our mast-head the colors of Breckinridge and Lane with the plat orm of principles they have declared in their letters of acceptance, and using all honorable means to ensure their election. In the language of our candidate for Pres-ldent, let us stand by th "Constitution, and Equality of States! These are symbols of everlasting Union. Let

these be the rallying cry of the people. The Old-Line Grard will be published Try-weekly u til after the Presidential election, at the low price of ON DOLLAR, in advance.
