

TO BE SOLD,

BY PUBLIC AUCTION, on the fourth day of January next, before Mr. Toomer's Vendue-Store, in Wilmington, the following

Valuable Lands.

1251 acres by three patents situate in Bladen county, on both sides of the north-west branch of Cape Fear river, containing a very handsome settlement on the south side of the river, and on the north side a large body of valuable well timbered swamp, besides a good MILL-SEAT—bounded on both sides of the river by lands belonging to Arthur Howe, esquire, below, and by those of the estate of Goodwin Eliotson, esquire, deceased, above.

1000 acres being in two patents of 500 each, in Brunswick county, on the north branch, between the main road near Mrs. Mill's (on Wood's creek) and the river, containing some good swamp. The rest well timbered high land.

1568 acres, beginning on Wood's creek, and running down the same and the north-west river, to the plantation formerly of William Watters, esq. but now belonging to the estate of Thomas Neale, jun. and back for compliment. Upon this tract is a very handsome and convenient situation for a settlement on the river, and a great quantity of valuable timber.

350 acres on the north side of Black river, beginning at the mouth thereof and running up for compliment. It is computed that one third of this tract is of valuable tide swamp, or cane marsh and meadow. The high land well timbered and in an excellent range for cattle.
