NOTICE

THE subscriber expected to have had it in his power to close his business in this state and move to the Northward, before this period.—But the backwardness of many, whom he may call responsible people, still frustrates his design—and repeated solicitations have had little or no effect, except with a few, who have come forward, he believes, in proportion to their ability.—This being the case, he is therefore obliged to continue some time longer in this state: and he hereby informs his friends that he still continues doing business; and requests all those to, whom he is indebted to render in their accounts for settlement.

JOHN JOHNSTON.
