

REMOVAL,

The subscriber respectfully informs his friends and the public in general that he has removed from the house where he formerly lived, to his house opposite Mr. Henry Giler's; where he continues to carry on the SADDLERY, HARNESSES & CAP MAKING business in all its various branches, and where orders from town and country will be punctually attended to, and the work executed in the best manner and on the shortest notice.

UNIVERSITY.

The annual examination in the University of this State will commence on the 4th of July. The Committee of Visitation whose duty it will be, then to attend in order to pronounce their judgement on the examination, so far as relates to the conduct and proficiency of the students, will consist of the following Trustees.

- | | |
|---------------------------------|--------------------|
| Mr. Walter Alves, Hillsborough. | } <i>Disstrib.</i> |
| Mr. Wallace Alexander, Morgan. | |
| Mr. Thomas Boutwell, Halifax. | |
| Mr. James Glasgow, Newbern. | |
| Mr. Wm. B. Gray, Fayetteville. | |
| Mr. John Hamilton, Salisbury. | |
| Mr. Samuel Johnston, Edenton. | |

The members of the Committee, as the public guardians of the institution are anxiously solicited to be punctual in their attendance. The present state of the University rendering every possible support necessary, a moment's reflection will convince them that its celebrity must depend in great measure, on the exertions of those under whose direction it is placed. As a public seminary of learning it must be entitled to their patronage, and as an institution under their particular superintendance it certainly merits their superior attention. The gentlemen of the senior class will stand forth for the Bachelor's degree, and a single oration be delivered on the subject. It is hoped that parents and guardians, in general literary characters from all parts will attend as spectators of a scene so interesting to the friends of literature. By their presence they will be enabled to judge of the progress and attainments of those under their respective directions, and meet if not with instruction, perhaps with agreeable entertainment.

By order of the President,
WILL: E. WEBB, Sec'y.
