Rev. L. T. Christmas Goes to Charles-ton, West Va. After serving Central Baptist Church for eleven years Rev. L. T. Christmas resigned the pastoral charge of this church and accepted a church in Charleston, West Virginia. When Rev. Christmas took charge of Central church in Wilmington the congregation was few in number and without a house of worship except a small wooden building that was used as a place for service. Bro. Christmas soon proved himself to be a zealous Christian and a faithful pastor. In the place of the old wooden structure was soon erected a beautiful brick edifice at a cost of about fifteen thousand dollars. Great credit is due this faithful and untiring brother for his earnest work to secure money to pay this debt. At the time he left the church we are informed that only a small amount remained unpaid on the church. The church as it now stands, on the corner of 7th and Red Cross streets, reflects great credit upon that most faithful pas'or

GLOBE CLUTHING HOUSE! Cor. Wilmington and Market Streets-(ap

posite Market.) THE GLOBE CLOTHING HOUSE is Raleigh's new enterprise, which is daily coming into prominence—winning the favor of the great economic purchasing public, from the fact you can buy first-class goods from the fact you can buy first-class goods from there at prices to suit the times—clothing, hats, shoes, etc.—and our people appreciating this feature have begun to give them their patronage. In stock will be Ulster Storm-coats, Overcoats and Suitings in the latest and most improved styles, made from foreign and domestic goods for Men, Youths and Children, which are being offered at prices which cannot be duplicated elsewhere. Take advantage of the special inducements in prices this week; call and compare both prices this week; call and compare both goods and price of this store with others and convince yourself of the fact that you can save fifty cents on the dollar by buying from them.
