**200 Dollars Reward.**  
RAN AWAY from the subscriber  
or stolen, most probably the  
latter, in the month of September,  
1816, my negro man SHADRACK.  
He is of common size, very black,  
about nineteen or twenty years of  
age when he left me, or was taken  
away; had a piece cut off of his right  
ear; large scar in the bend of one  
of his elbows, occasioned by a burn,  
and the leaders much contracted;  
a scar on one of his legs, occasioned  
by a snag; a number of other scars  
on him, and much marked with the  
whip. The probability is his name  
is now altered.  
Fifty dollars reward will be given  
for the apprehension of said negro,  
confined in any goal, and information  
given to the subscriber, so that  
he gets him again, and all reasonable  
charges paid; one hundred and fifty  
dollars reward for the thief, with  
proof to conviction. Any person  
able to give me any information  
concerning said negro, will do me  
the kindness to write to me, addressed

makes the poor man happy."

**CHERAW,**  
**SOUTH CAROLINA.**  
About 500 Lots in the Town of  
Cheraw, including all those valu-  
able lots on the River Bank to-  
gether with 1000 acres of wood  
land in the vicinity of the Town,  
will positively be sold at Public  
Auction in April next, the sales  
will commence on the first Mon-  
day of the month and will con-  
tinue for three days or until all  
the above property is sold.  
Terms as follows:  
On all sums less than \$500, a  
credit of twelve months, or all  
sums exceeding \$500, and less  
than \$2000, a credit of one and  
two years, payable in equal an-  
nual installments, on all sums  
exceeding \$2000, a credit of one  
two and three years, payable in  
the same manner. Interest from  
the date of the purchase, the pur-  
chaser paying at the time of sale  
10 per cent on the amount of his  
contracts and giving a mortgage  
of the property with personal se-  
curity if required.  
It is thought superfluous to  
dwell on the rise, the present im-  
portance and future prospect of  
Cheraw: as it has now assumed  
that rank in the commercial  
world which renders such detail  
unnecessary, but for the informa-  
tion of those who may live at a  
distance, and whose Mercantile  
connection with this section of  
country may not have led them to  
a knowledge of the consequence  
and resources of this place, we  
subjoin the following facts: In  
the year 1818, Cheraw (then  
Chatham) contained a Store three  
or four dwelling houses, and thirty  
or forty inhabitants. It was  
incorporated in 1820, and now  
contains an elegant Academy, a  
Printing Establishment from  
which issues a weekly paper, four  
houses of Entertainment thirty  
Stores, a considerable number of  
dwelling Houses and at least 1000  
inhabitants two large Steam Boats  
and a variety of small craft are  
employed in navigating the river,  
one Steam Boat plies directly be-  
tween Charleston, and the other  
between Georgetown and Cheraw  
each boat carries from 60 to 800  
bales of cotton a trip, the Steam  
Boat Pee Dee has performed the  
entire trip from Cheraw to  
Georgetown and back in four  
days. During the last season a-  
bout 14,000 bales of cotton were  
sent from this place, and during  
this season it is computed from  
the present purchases that 20,000  
at least will be sent to market with  
a variety of other produce. The  
resources of Cheraw from the  
back country, are not inferior to  
that of any inland Town be-  
tween Richmond (Vir.) and Au-  
gusta (Geo.) Arrangements have  
been made to throw a bridge over  
the River, and the Mail Routes  
have been so altered as to ac-  
comodate the place. The site of  
the Town is elevated, airy and  
commanding.
