BROKE Anson Jail on Friday the 7th inst.

THOMAS CURTIS

AND HAMILTON HARRIS.

Thos. Curtis is between twenty five and thirty years of age, about 5 feet 9 or 10 inches high, spare made, dark hair, long sharp nose, somewhat dark skinned, pale blue or rather grey eyes, thin visaged, slow of speech, down look, and is fond of spirits; has a knot on one of his fingers, I believe on the left hand, which is a little cracked and stiff.

Hamilton Harris is a tolerably large bodied man, about five feet ten or eleven inches high, a very dark Mulatto, between thirty and thirty five years of age. Harris is a noted fellow for breaking Jails, and has broken several in the Western part of this state.

Thomas Curtis is charged with the murder of Thomas Cash.

Hamilton Harris is charged with having committed a rape.

A reward of \$100 will be given for the apprehension of Curtis, and twenty five dollars for the apprehension of Harris, so that I get hold of them.

Wadesborough Female Academy.

THE Exercises of this Institution will recommence on the 24th inst. under the superintendance of Misses Mary Ann and Maria Spear, who come recommended as possessing a knowledge of Grammar, Belles Letters, Geography, Chemistry, Mythology, History, Natural Philosophy, Botany and Astronomy, Music, Drawing and Painting, very rarely attained by ladies.

This Academy is in one of the most pleasant and healthy villages in the Southern Country. Such a situation, under Teachers so amply qualified for the instruction of young ladies, will, no doubt, attract the attention of parents and guardians; and the Trustees pledge themselves that the strictest attention shall be paid to the morals as well as the literary improvement of the Students.

CHERAW, SOUTH CAROLINA.

About 500 Lots in the Town of Cheraw, including all those valuable lots on the River Bank together with 1000 acres of wood land in the vicinity of the Town, will positively be sold at Public Auction in April next, the sales will commence on the first Monday of the month, and will continue for three days or until all the above property is sold.

Terms as follows;

On all sums less than \$500, a credit of twelve months, on all sums exceeding \$500, and less than \$2000, a credit of one and two years, payable in equal annual installments, on all sums exceeding \$2000, a credit of one two and three years, payable in the same manner. Interest from the date of the purchase, the purchaser paying at the time of sale 10 per cent on the amount of his contracts and giving a mortgage of the property with personal security if required.

It is thought superfluous to dwell on the rise, the present importance and future prospect of Cheraw: as it has now assumed that rank in the commercial world which renders such detail unnecessary, but for the information of those who may live at a distance, and whose Mercantile connection with this section of country may not have led them to a knowledge of the consequence and resources of this place, we submit the following facts: In the year 1818, Cheraw (then Chatham), contained a Store, three or four dwelling houses, and thirty or forty inhabitants. It was incorporated in 1820, and now contains an elegant Academy, a Printing Establishment from which issues a weekly paper, four houses of Entertainment, thirty Stores, a considerable number of dwelling Houses and at least 1000 inhabitants, two large Steam Boats and a variety of small craft are employed in navigating the river, one Steam Boat plies directly between Charleston, and the other between Georgetown and Cheraw each boat carries from 60 to 800 bales of cotton a trip, the Steam Boat Pee Dee has performed the entire trip from Cheraw to Georgetown and back in four days. During the last season about 14,000 bales of cotton were sent from this place, and during this season it is computed from the present purchases that 20,000 at least will be sent to market with a variety of other produce. The resources of Cheraw from the back country, are not inferior to that of any inland Town between Richmond (Vir.) and Augusta (Geo.) Arrangements have been made to throw a bridge over the River, and the Mail Routes have been so altered as to accommodate the place. The site of the Town is elevated, airy and commanding.
