## SHUBERT SHAKE-SPEAREANS MEET

The regular meeting of the Schubert-Shakespearean Literary Club was held on March 8th with Thomas Mann. Following the usual opening, the minutes of the preceding meeting were read and adopted.

The program for the day consisted of a very enlightening address on: "Extra-Sensory Perception" by James T. Taylor of the N. C. College faculty. Attention was given first to the leaders in this field who have made the study scientific, with special reference to Dr. Rhine of Duke University. Mention was given to experiments performed by Dr. Rhine which proved that results obtained were not due simply to the law of chance because these experiments have been worked out mathematically. This meant being able to react to data beyond the ordinary sensory faculties. An interesting discussion followed, during which time refreshments were served by the host. The club adjourned to meet March 22, with Mr. and Mrs. J. M. Scholer. Members present at this meeting included: Mr. and Mrs. J. M. Scholer, Misses R. Withers, Katherine Champney, Mrs. C. T. Jordan, Messrs. I. E. Oglesby, J. W. Davidson, J. T. Taylor, and Thomas Mann, host.

# We Negroes

We Negroes are faced with the great problem of injustice in regard to unnecessary taxation on unnecessary projects that are to benefit the other races more so than the Negro.

We Negroes are faced with the problem of slum clearance. Some of the poorer paid laborers and hosts of the unemployed live in the decrepit and dilapidated houses upon streets that are clogged with mud, when it is wet. The cities now, instead of clearing the slums, that is tearing down the old, dilapidated, houses and erecting new ones in its stead are planning to build things that the Negroes would not benefit from and would only be a hindrance to them in the form of heavy taxes. The Negroes should stick together when these bills are put to vote, and fight for their rights by registering and when the time of election is come refuse to vote. The Australian or secret ballot is a "God-send" to the industrial workers of our race, for employers often compel their employees to vote as they do, and as the secret ballot is used the employer has no evidence that the employee did not vote as he was ordered.

The Negro citizens of Durham, N. C. should be commended upon the cooperative way in which they defeated the airport bill, that was recently put to vote. The Negro business men of Durham issued petitions to the Negro citizens of that city on-treating them to defeat this bill for the good of themselves and the future generations. They were very successful in their attempt. The Negroes of the county are finally awakening to the fact that they have been victims of unnecessary taxation too long and that a stop must be put to this injustice at once.

# AROUND THE TOWN

Howdy Folks. Get aboard and take a nice little trip with us around the town. There were a number of dance lovers as well as listeners turned out to get an ear full of the boy from Haslem, Lucky Millinder, Monday night—Horace Funderburk and his rather charming sister, Dinah tied for the first prize in the fox trot contest. Nice going for the Funderburks.

That sizzling man about town, Leo "Rico" Williams seemed lost without Miss Edwards at the dance. There seem to be trouble in paradise for the "Rico."

Edward Perry, I should say "Zona" was busy keeping a close and watchful eye on "Tootsie" the girl of his dreams.

Charles Doon, the Pride of the Times went to the dance on a "Freebie." (If you don't know what I mean, its one of those things that "Shorty" Davis uses very effectively). He was having a swell time until someone mentioned the most charming, Miss Thelma Beatty, who has caused many a heart to skip an extra at the sight of her. He got lonely when Lucky played, "Once In A While."

What mysteries me is how did "Shorty" Davis get in the dance Monday night? A heap sees, but a few knows.

Was it Mellow Moon" that caused Preston Brown to fall down and go boom, in the middle of the Armory floor Monday night? Or was he just falling for the "Big Apple" girl.

The famous "Little Gray Man", Berlie Davis couldn't swing because of an injured leg that he received in the cage mix up with the stinging Hillside Hornets.

The boys at Hillside whamed the tar out of the mutual quint. Better luck next time Berlie.

Horace "Gable" Southerland continues his trek down the hill to Grant St. It seems that Miss Lenora still holds the reins on the dashing romeo, Horace.

Thank for the haircut "Moova" it didn't come to soon.

Payton Jeffries is still riding high with the West End Miss.

Ruth Buchanan, the Times most efficient Secretary has gone looney over, Solomon the pride of A. and T. College. We hope this Solomon is not like the Solomon of old, who had in his midst a collection of only a thousand wives.

We will pause here and give the pencil to Mr. Mousy Tattler who will take you the rest of the way around the town—

We wonder where M. Sykes and E. Vidal were headed for Monday night? Was it because W. Tyler could not get out?

Margaret Noel, which one is it, Paul Truitt, Willie Green, or Charlie Staley?

We wonder where Mary White and James Whitley call "off."

We wonder what Ellenby's racket is. Is it that he can't get a girl from the colleg because he's been there so long.

Wilhelmena Morrison dedicates her famous "Mythology Album"

**CALL FOR EQUITABLE FUNDS**

The largest amount of federal aid. The committee was assisted by a large temporary staff of specialists in education, public administration and economics. Included among them were Dorey A. Wilkerson, of the Department of Education at Howard university, and Dr. Robert C. Weaver, Adviser on Negro Affairs to the Administrator of the U. S. Housing Authority.

to Willie Johnson. Watch out H. Davis.

Clara Pratt and Floyd Wesley are seen together frequently. Is there a new romance blossoming?

Tootsie Bumpass went to see Earnestine Watson the other day and there were so many other admirers there that Tootsie went on out the back door disguised.

Better luck next time, my boy, or will there be a next time.

Albert Johnson seems to be hanging out with two of the high schools most fashionable junior debs, Junita Albright and Clara Douglas.

It appears that Johnnie Holloway is the apple of Dorothy McAllister's eye. So she says.

D. Robinson said that she wears Buddie Ford under her skin.

Virginia Harper fell in love with a fellow from Louisburg, at the basketball tournament, Friday morning. He is the Willis she has been raving about.

Ray Buie says S. B. is cute, but L. F. says she is like a monkey.

Gracie Green you had better watch your step with Lincy Brower.

M. Mayo which one is it. Wm. Malone, Fred Brunson or Joseph Elout?

Evangeline, who is the boyfriend you entertain at the Regal Theatre? Is it Charlie Morrison.

The Love Bug seems to have bitten the following, Columbus Webb, Nathaniel Thompson, Ernestine Gunn, and Avery Clark.

**Car Wreck Kills One And Injures One**  
DEATH RIDES RALEIGH HIGHWAY WHEN CAR OVERTURNS ON SLIPPERY ROAD

A slippery road and worn tires resulted in the death of Henry Nucklos, age 58, well known butcher of 418 Dowd street, when the car in which he was riding with five other persons overturned on the Raleigh road near here Sunday morning.

John McCann of 915 Elizabeth street was seriously injured with a fractured neck and several severe cuts about the head. Four other occupants of the car Louis Fuller who was driving; Sam Nucklos, son of Mr. Nucklos who was killed in the wreck; Ben Hopkins of 418 Dowd street and Miss Beatrice Taylor of 124 North Salisbury street escaped without serious injury.

According to Mr. Fuller he was driving at a moderate rate of speed, but lost control of the car on a curve causing it to overturn, after striking a concrete buttress on the side of the road.

At the hearing which was held here Thursday morning Louis Fuller was absolved of all blame for the accident. He had been held on a manslaughter charge.

In the first half the passing attack of the Tigers enabled them to have a one-point lead at the end of this half, 20-19. However, this lead was soon overtaken by the aggressive visitors led by Creecy, Williams, and Marble.

## N. C. MUTUAL

Continued from page one  
99, and \$60,000.00 contingent fund.

As further evidence of the service North Carolina Mutual is rendering the Race and Nation, it was revealed that since its organization in 1898, the company has paid to policyholders \$116,491,703.23. Of this amount \$7,700,000.00 was paid to living policyholders, including \$166,708 in matured endowments; funds which in all probability would have been misapplied or squandered had not these policyholders had the foresight to invest their earnings with North Carolina Mutual.

At the meeting of the policyholders, all members of the board of directors were reelected and a new member, A. T. Spaulding, was added. Mr. Spaulding's connection with North Carolina Mutual began in 1919 when he was employed in the home office during his summer vacations from school. In 1932 he completed his work at the University of Michigan, receiving his M. A. degree in mathematics, majoring in actuarial science, and returned to the Mutual to assume general supervision of the company's actuarial work. In January of the following year he was appointed actuary.

What is of particular significance in this occurrence is the fact that it marks the beginning of an attitude to add younger men to the directorate of the company, with a twofold purpose in view; first, that they may serve the company in the fullest possible measure while they are young, and second, that they may be prepared, through association with the older directors, for the time when they will assume the full responsibility of administering the company's affairs.

The reelected directors are: C. C. Spaulding, President; W. J. Kennedy, Jr., Vice President; Secretary; E. R. Merrick, Vice President-Treasurer; R. L. McDougald, Vice President; Clyde Donnell, M. D., Vice President-Medical Director; W. D. Hill, Assistant Secretary - Comptroller; M. A. Goins, Assistant Secretary; G. W. Cox, Vice President-Director of Agents; D. C. Deans, Assistant Director of Agents; J. L. Wheeler, Assistant Director of Agents; and A. J. Clement.

**ST. PAUL**  
Continued from page seven  
this game it seemed almost impossible to check Carrington of B. T. W. so that he was able to chalk up 32 points out of the team's 45. St. Paul was completely out-played throughout the entire game.

Immediately after the final trophies were presented by Dan W. M. Whitehead in the absence of Pres. Russell. Dean Whitehead welcomed the teams on behalf of the school and commended them on the excellent spirit shown throughout the tourney.

The All-Star Teams was as follows: Malone, St. Paul; Carrington, B. T. W.; Daniels, Halifax; Edmundson, B. T. W.; and Williams, B. T. W. Honorable mention went to Christmas, Bluestone; Manning, St. Paul; and Dunn, B. T. W. Each of these boys were awarded a silver basketball. Honors for high point man went to Carrington who had 71 points for three games. The best sport was Daniels of Halifax. The four teams that will represent the S. I. A. A. at the State tournament at Petersburg this week-end are: B. T. W., Halifax, St. Paul, and Bluestone.

After the presentation of the awards the Shaw Bears defeated the Tigers, 40-43. Incidentally the game at Shaw was lost also by three points, the score there being 30-33.

## COLORED LIBRARY

Continued from page one  
It has been said that the progress of a community may be determined by its churches, schools, hospitals and libraries. Judged by these our Public Colored Library's progress has been slow. Why not Durham as a whole come together and render more financial as well as moral support to the library.

The present trustees are Dr. S. L. Warren, Chairman; Mrs. W. G. Person; E. D. Mickie, Frank Hubbard; Mrs. C. Ottie Moore; J. C. Scarborough; Mrs. M. L. Lennon; C. C. Spaulding; W. G. Pearson; Mrs. Nannie Cooper; Mrs. Lydia Merrick; C. C. Amey; Mrs. Julia Warren and J. H. Wheeler.
