The execution came after a complicated series of 1un-a rounds by Arkansas' two chief executives, Governor C a r l Bailey and Lieut. Governor Bob Bailey. Besieged during a visit to New York by protests againat the death of the two young men the governor promised to hold hearings on his return to Little Rock. However, when he returned, he successfully evaded all delegations of liberal and Negro organizations for t w o days, then he abruptly left for Washington. Meanwhile, B o b Bailey took the position that it would be "unethical" for him to hear any review of the case or to postpone the executions except on request of the gover-
