BY WM. A. TUCK

AT LAST, WE BASEBALL fans in Durham are getting a break. We have seen our favorites the Durham Black Sox, under the management and tutelage of Jimmy Light, make rather favorable showings against some strong teams last week, and right here at home. It's a treat to see these boys in action after having contented themselves almost all summer with football games and games between the white league teams.

Monday night the Sox demonstrated their hitting power against the Raleigh Greys whose pitcher, Lefty Sims is another Black Sox man. Every man on the team, except Wrightfield the catcher got one, two or three hits and accounted for at least one run. Deonam got his first on the mound for the Greys showing only three runs and six hits.

Speaking of the composition of the Sox, which the manager has changed several times, it is a mix of the best of the Durham Athletic Club. This team is one of the best in the section and always gives the Sox a hot game. The Sox are a mix of the best of the Durham Athletic Club. manager when stated that there is a possibility of putting of the Sox after the close of the regular season as the Sox may be needed in the regular season.

and with North Carolina College opening on the 19th and Coach Burnette coming to the Sox together on the 19th, the Sox will be in a position to play the Greys on the 19th and the Sox will be in a position to play the Greys on the 19th.

and speaking of Coach Burnette's Eagles, several of them have remained right here in Durham all summer, as well as with the type of work that most of them are doing, they won't have to use "physical condition" for an excuse for not playing jump ball this fall. Way just the other day they had a group of them unloading and making catches of coal for the college, and they were really made up for the role. Their sartorial duties were a uniform every color and they were recognizable only by their voices.

A few of them are making a regular shift for the contractor constructing the new buildings at the college, they do everything including not carrying, hauling brick and mortar in yards, digging ditches, etcetera.

A CITY-WIDE TENNIS TOURNAMENT is underway at the Hixson tennis courts under the direction of Frank Burnette who is "always making something." All comers were invited to enter as the only requirement is being able to hit the ball. Prizes of prizes won in other meets are not enjoyed. However, the tourney (prizes only) end Friday of this week having started Monday, August 7.

THE HILLSIDE SWIMMERS scored again at the State meet in Greensboro Monday night. Congrats team. When you are in the neighborhood of the Hixson bathhouse drop in and take a squirt at the handsome trophies and medals which the individual members and the team as a whole brought back. Couldn't have done better myself.

Did you see Dynamite Brewington (former N. C. State Fullback) doing all that third sacking for the Kinston Greys the other moonlight?

## Black Sox Take 2

The Durham Black Sox have two wins in a row to their credit for this week as we go to press. (Wednesday). The victims of their heavy hitting onslaught Monday night, August 7 were the Raleigh Greys who went down by an 8-3 count. It was the timely hitting and smart fielding of the Black Sox in this game that accounted for their decisive victory over the highly touted Greys. Tuesday night they eked out a 5-6 win over Kinston Greys.

The first inning of the Monday night game featured a pitching duel between Sims of Raleigh and Debnam of Durham but in the second frame, the Sox broke away with three runs. Things darkened a bit, however; when in the first half of the fourth the capitol city boys got Deonam for 2 runs. All was well again when the locals clinched victory with three more runs in the 4th and 2 in the 7th. Almost every man on the local team brought in one run while Prince knocked a homer. Sims also made a round trip for the visitors.

Tuesday night's game started out to be a nip and tuck affair but soon began to take a run away for the visitors. They took left-handed Morgan for 1 run in the opening stanza and four in a row in the fourth. The Sox scored two runs in the first and took it easy (without wanting to) until the 8th inning when they advanced their hits to bring four runs across the plate to win the game.

Green started out on the mound for the Greys but was retired after allowing the runs which won the game. Throughout the game he was calm and cool as the immortal cucumber. He was relieved by Williams whose underhand delivery allowed things to get away from the Sox who was relieved by Craddock who stopped the heavy hitting of the Greys.

Price of the Kinston team hit a triple for the longest extra base hit of the game, taking advantage of Barbee's error at second base.

Norfolk and Portsmouth are scheduled to meet the Sox this week, (Thursday and Friday) and Kinston may return for Saturday night.
