VOL. 20 NUMBER 42

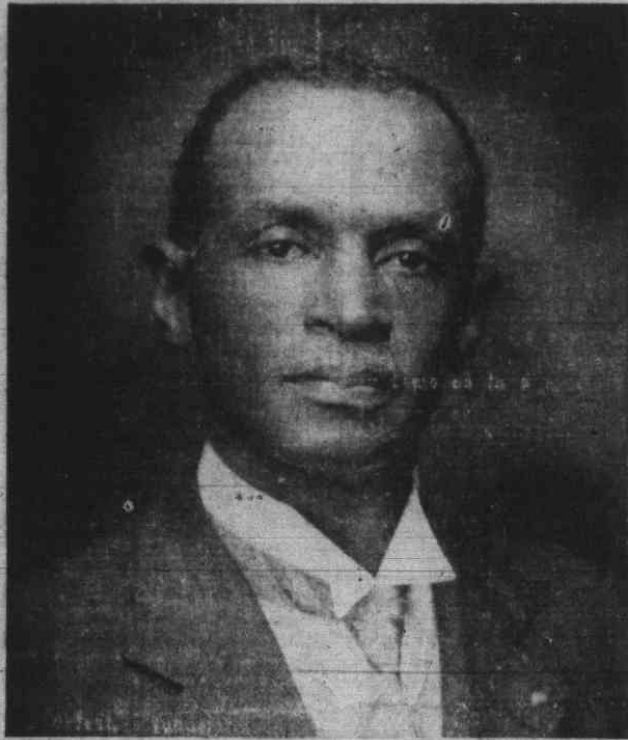

DURHAM, N. C., SATURDAY, OCT. 28th 1939

PRICE SEVEN CENTS

NCC READY FOR HOMECOMING

Six Negroes Barred From State University; Hearing Set For November 6th

DEDICATORY SPEAKER

Dr. James E. Shepard, president of N. C. College who delivered the dedicatory sermon at White Rock Baptist Church last Sunday morning at the

completion of the new \$10,000 pipe organ of the church. The largest Sunday morning crowd in several years was on hand to hear Dr. Shepard's address.

Charlotte Chest Drive Plans Are Completed

RACE GROUP HOLDS DINNER AND COMPLETES ORGANIZATION

CHARLOTTE—Under the leadership of Fred Alexander, divisional chairman, a number of Race members of the Charlotte Community Chest met in the private dining room of Fred Patton's cafe and enjoyed a delicious dinner, after which Thomas Carroll, executive secretary of the Community Chest made an address to the group. The meeting ended with each person present pledging whole hearted support for this year's drive, and the assigning to specific workers of territories by Mr. Alexander.

Mr. Carroll, quoting extensively from mimeographed paragraphs, "What Does the Community Chest Do For the Race?" reviewed extensively the work of the Community Chest among both groups in the city, and stated that he fully realized that all necessary things were not being done, but that he looked for improvement in the near future.

He told the group that it is important that the Negro division secure as great a proportion as possible of the assigned quota of the drive, and that the group should have full cooperation in future requests for money. He made it clear, however, that continued support of the colored branches of the YWCA and the YMCA did not depend on the amount of money raised by the Race division, for the present budget, for these two organizations is four thousand dollars.

He also told the group that

each penny raised by the Race division would be carefully tabulated, and that next January the group would be called together again to evaluate the completed reports of this year's drive, and to form a permanent organization.

Present at the meeting were Mr. and Mrs. Fred Alexander, Mrs. J. Eugene Alexander, Mrs. L. S. Robinson, Rev. and Mrs. J. W. Heritage, Mr. and Mrs. P. C. Phillips, Mrs. G. M. Herndon, Misses Marie Nixon and Magdolene Wichers, Mesdames A. O. Steele, Brooks, S. Davis, Atkins, Miss L. A. Norris, Henry Houston, W. P. Robinson, Arthur Anderson, E. H. Bowser, Le G. Green, T. M. Martin, Fred Wiley, Robert Morland, L. P.

Fashion Review Presented At N. C. College

The fashion review of 1939, a beautifully dramatization in five scenes, was presented last Friday night at North Carolina College, under the auspices of the St. Titus Episcopal church.

The dramatization included the following scenes: Scene I—Morning A typical day in spring or autumn as spent by Greta Mauning and her guests at a house party; Scene II—Noon Tennis on one of the courts of the Mauning estate. Scene III

University Refusal to Register Negroes Because of State Law to Get Test Under Gaines Decision; St. Louisians Launch Fight to Close Lincoln Law School

CHICAGO, (ANP)—Efforts to obtain higher education for Negroes within the limits of the Supreme court decision in the Lloyd Gaines case are progressing on three fronts, the ANP learned this week.

1—At Knoxville, the University of Tennessee was directed by Chancellor A. E. Mitchell to show cause why six Negro applicants should not be admitted as students in the university's graduate's and law schools. The issue at stake is whether the state's law demanding segregation of the races is superior to the high court's mandate on equal education for Negroes within a state's border.

2—At St. Louis a mass meeting in opposition to continued operation of the new Lincoln university school of law was held Friday night at First Baptist church under auspices of the Colored Clerks' circle youth organization which began picketing the institution when it opened Sept. 20 in the old Poro college building.

3—Miss Lucile Blesford, managing editor of the Kansas City Call, filed a mandamus suit against S. W. Canada, registrar of the University of Missouri, after twice being denied admittance to the journalism school. There is no provision in that state for Negroes to study journalism.

The Tennessee case will be called Nov. 6. While Missouri has provided a segregated law school for Negroes, the former has made no provision for graduate and professional study within the state. Scholarships are available for colored students for study outside Tenn. but the supreme court has decided that this is not enough.

The petition sets forth that university of Tennessee is an administrative department of the state performing an essential governmental function and provides that no citizen of Tennessee otherwise qualified shall be excluded the privilege by reason of his race or color.

Harris, W. O. Grier, J. E. Grigs by, W. F. Alexander, A. E. Spears, Frank Hanley and R. M. Tuttle.

Here is inspiration enough to win any football game. The N. C. co-eds picture above are from left to right:—Misses Grace Jackson, New Bern; Lillie Bond Windsor, Marlboro; Towne Raleigh, Larry James, Camden, S. C.; Kathryn Beville, South Boston, Va.; and Ada Carrington, also of South Boston. These pretty lassies will be on the sidelines rooting for the Eagles when they clash with the Howard University Bisons Saturday.

SIX BEAUTIFUL REASONS WHY THE EAGLES WILL BE HARD TO STOP BY THE BISONS

Chicago Gets First Race Man On School Board

CIVIC LEADER APPOINTED BY MAYOR KELLY TO FILL VACANCY

CHICAGO, (ANP)—Climaxing a 20 year fight by colored leaders for more proportionate representation on the City's school system, Dr. Midian O. Bousfield, prominent in civic, medical and social welfare activities, last week was appointed by Mayor Edward Kelly as the first Negro ever to serve on the Chicago School board.

Mayor Kelly consulted with his new advisory school committee (super school board), in making the selection and Dr.

Bousfield will fill the vacancy caused by the withdrawal on June 14, of John B. Allen, who had been named to fill the position.

As member of the board of education, Dr. Bousfield brings to his new task academic and civic background that eminently qualifies him for the position of leadership he assumes in the city's educational system. He was born in Tipton, Mo., in 1886, attended the public schools of Kansas City and in 1907 was graduated from the University of Kansas. Two years later he received his doctor's degree from Northwestern university.

Many Doctors Attend Post Graduate Course

DURHAM—The Post Graduate Course held here last week under the Division of Cooperation in Education and Race Relations was well attended by a large number of physicians over the state. All Durham physicians attended the clinic with the exception of Dr. J. S. Thompson.

The faculty was composed of professors from Duke University and the University of North Carolina medical schools and the School of Public Health.

The sessions began Monday morning, October 16 and lasted through Wednesday when the clinic closed with a lecture at 8 p. m. on neuropsychiatry and general practice by Dr. Raymond S. Crispel of Duke Medical School.

Others appearing on the program were, Doctors William M. Nicholson, Julian M. Ruffin, Barnes Woodhall, Fred M. Hanes, Albert J. Shelton, J. Lamar Callaway, BELBERT L. PERSON, Norman F. Conant, James C.

Andrews, David T. Smith, G. L. Donnelly, E. C. Hambley, Baynard Carter, Edwin P. Alyea and W. L. Fleming.

The committee on health problems is composed of Doctor Clyde Donnell, chairman; Dr. David T. Smith, secretary; N. C. Newbold of the state educational department; Dr. Milton J. Rosenau, L. E. McCauley, C. A. Dunston, Wm Rich, Dr. E. A. Rensch and Dr. J. H. Fleming.

TEACHERS TO MEET

CHARLOTTE, (Special)—THE COUNTY TEACHERS under the supervision of Mrs. Nelle B. Dykes held their bi-monthly meeting at Second Ward B. H. School Saturday Oct. 14th. C. E. Moreland, president was in charge. A very profitable meeting was held. A county wide PTA meeting will be held at the SWH School the first Saturday in November. Eugene S. Potts is chairman of the Publicity Committee of the Association.

Large Crowd Expected To See Eagles and Bisons Elevens Clash Saturday

MOTHER OF MRS. NOLA ALLEN DIES

DURHAM—Mrs. Ada Mitchell, mother of Mrs. Ada Allen, was found dead at the home of her daughter on 1601 Fayetteville Street at 9 o'clock Monday morning.

It is claimed by the medical attendant that Mrs. Mitchell, 78, died as a result of a heart attack. Earlier during the morning her grand daughter, Miss Ethel Allen, received a special delivery from her mother, Mrs. Nora Allen, and it is reported that Mrs. Mitchell came out of her room to see what the special was about, after which she returned to her room. A few minutes afterward Miss Ethel Allen called her; and when she refused to answer, the grand daughter went to her door, finding her dead. Mrs. Mitchell was seen at her church as usual last Sunday morning.

The deceased was born in Granville County and lived there up to the time of the death of her husband John S. T. Mitchell in 1915. Prior to her marriage she was Miss Ada V. Jones.

In addition to her daughter is survived by a sister, Mrs. Emma Grey of Roxbury, Mass., five grandchildren and three great grand children. Funeral services will be held at the White Rock Baptist church Friday afternoon at 3:30. Interment will be at the Old City Cemetery. Rev. Miles Marx Fisher, pastor of the church will be in charge of the ceremony.

BLUEFIELD	7
HAMPTON	5
ST. AUGUSTINE	96
ELIZABETH CITY	0
LINCOLN (Pa.)	7
MORGAN COLLEGE	0

The largest crowd ever to witness a homecoming game is expected here Saturday when the Eagles clash with the Howard Bisons from the nation's capital. In addition to the exceptionally large number of old grads who will return to their alma mater, an unusually large number of Eagle fans will be on hand to see what many have termed the football battle of the century.

The meeting of the Howard and Eagle elevens will be the first time the two teams have met on the gridiron in several years. The last time was in Washington when the N. C. College boys defeated the Bisons 7 to 6 in one of the hardest fought games ever seen on the Howard field.

In addition to the football game, a dance on the campus of the college and one in the city

have been arranged for the visiting team and other visitors. Old graduates will find a warm welcome awaiting them upon arrival at the college as the entire week has been spent in preparation for the homecoming event.

Although most predictions on the game favor the Eagles to take Saturday's encounter, the coaching staff of North Carolina College composed of Burghardt, McLendon and Holmes is taking

no chances of an upset and have been drilling their charges hard during the entire week. The Bisons will not be trusted and the lesson learned by the Eagles in the Lincoln game when the Lions came from behind in the last few minutes and passed their way to victory will not have to be learned Saturday. The Eagles mentors say their team expects to play sixty minutes of headup football.

Offer Course In Maid Service

DURHAM—Mrs. W. V. Paddy and Miss J. E. Avant, home economics instructors at Hillside Park High School, have begun an intensive course in maid service at the Harriette Tubman branch of the YWCA and at Hillside School.

This course is offered primarily for those who wish to better prepare themselves for domestic service. The course is open to ladies 16 years of age and over who are not attending public school and wish to take advantage of this training.

The classes are held each Monday and Thursday night from 7:30 until 9 at the YWCA on Umstead Street and on Thursday night there are classes held at Hillside at the same time.

The class has been made possible to the public through the kindness and cooperation of the

members of the Ladies Board of the YWCA and is offered free of charge to interested students who meet entrance requirements.

With a number of interested students in attendance, the class started Monday night, Oct. 16, and a concentrated course has been outlined by the teachers, including health and personal hygiene, personality and appearance, relationship with employer, cleaning, laundering and care of equipment, marketing, food preparation, planting, service, and storing. Special household duties, hazards of household employment, use and care of household equipment, care and guidance of children, and working schedule.

Before the student can pass from one unit of work to another, practical experience must be had. Please turn to page eight
