THE NATIONAL BOARD of the YWCA has published two studies, the Standard Study Branch Study, which reveal the fact that there exists a definite need for organization within the YWCA as a whole. Racial Branches, and particularly Race Branches, in the South are at present administered under a paternalistic set up that violates the constitution of the YWCA. Attached to the present form of administration are certain advantages that may not be embodied in a more democratic organization. The question that the Harriett Tubman Branch is asked to consider face Race Branches all over the United States. Do the advantages of a "Branch" type of organization outweigh the possibilities offered by a Metropolitan type of organization with each unit of the YWCA set up independent? What possibilities are offered by a combination "Metropolitan Branches" arrangement? Is Durham desirous of any change in its YWCA organization?

The final answers to these questions depend in part upon the Harriett Tubman Branch. The National Board of the YWCA has asked that the electate formulate an opinion as to its preferences in these important matters. No Race woman

A Prominent Business Woman Praises Mme. C. J. Walker's Preparations

"I use Mme. C. J. Walker's preparations exclusively because I get results from them that I am unable to get from any other preparation," stated a well known business woman the other day.

The secret of the remarkable success of Mme. C. J. Walker's preparations is in the fact that they were blended by the late Madame C. J. Walker to reach certain definite conditions of the hair, skin and scalp, and today, after over thirty-five years on the market, they are growing increasingly popular, and notwithstanding the fact that the Company has always refused to reduce the price on these goods, they are still in demand everywhere.

Mme. C. J. Walker's Glosine, although more than thirty-five years in its field. The reason for this is because it not only serves as a scalp oil, but it gives the hair that silky sheen and natural gloss that is the delight of every woman.

Mme. C. J. Walker's Brown Face Powder is not just another Face Powder, but is the result of years of experimenting to produce the perfect blend to impart a velvety softness and at the same time cooling and refreshing. Just the thing for these hot days.

The Mme. C. J. Walker's wonderful preparations are sold by Walker Beauticians and Drug Stores everywhere, or you can write The Mme. C. J. Walker Mfg. Company, direct, Address: The Walker Building, Indianapolis, Indiana.
