N. C. College News Items

BY GENEVIEVE SMITH

NORTH CAROLINA COLLEGE CAMPUS has begun donning its Christmas glamour by beginning with a full social calendar, all week. Next week we shall be just tired enough and shall have enjoyed ourselves just enough to really enjoy our Christmas holiday at our respective fireplaces—perhaps even expecting old Santa Claus. We are happy that the coming week will be full because we won't study assignments anyhow. Why? The second quarter began Friday, Dec. 15, and it will require six days for us to get acquainted with our new proffs and froffettes. How good it is to begin a new quarter, having finished with the old one. We are looking forward to a better year with great enthusiasm, we have made our resolutions to work hard and to play hard and by so doing we will councellors and instructors proud of us.

AMONG THOSE IN THE lime light this week were the house directresses; Madames Lottie Kimble, Nan Jones and Maude B. Holbrook. The Senior Dormitory, one of our recently completed buildings, was opened for occupancy this week with Mrs. Holbrook as directress. Many changes took place with only Seniors, fully classified as such, moving into the Senior Dormitory; Sophomores and Juniors either remained or were moved into the Annie Day Shepard Dormitory and the Freshmen remained in their dormitory. Some of the students will miss their former roommates and neighbors, however, this change will occasion many new friendships and acquaintances to be made as a consequence.

ON SATURDAY NIGHT the Alpha Chi Chapter of the Alpha Sorority, the Ivy Leaf Club and the Sympathizers Club held its joint Christmas party in the parlor of the Annie Day Shepard Dormitory with Willie Walden, President of the Ivy Leaf Club, presiding. Many selections were rendered and enjoyed. Miss Katie Kelly, Physical Education Instructor was consulted upon her recent

THIS COLLEGE PRESENTED EGON PETRI, noted Polish Pianist in a recital at B. N. Duke Auditorium on Friday night at eight p. m. Selections were taken from Bach, Beethoven, Chopin and Liszt. The recital lasted two hours.

Miss Thomasina Talley headed the committee on entertainment for Mr. and Mrs. Petri. On Saturday the College Choir and the Men's and Women's Glee Clubs were hosts to the Petri's in an informal entertainment at B. N. Duke Auditorium at 1:30 p. m. In response to these musical units program the outstanding Petri captivated them with the playing of request numbers. The same day from 3 to 6 p. m. at the Teachers Home, Fayetteville and George Streets, for the noted pianist and his wife.

Those present were the faculty and staff, their wives and husbands, the College Choir and the Men's and Women's Glee Clubs. The cottage was decorated in the Christmas colors, red and green. A poinsettia centerpiece was used on the table flanked by green candles. Red roses and assorted flowers adorned the living room. Tea, assorted sandwiches in white, red and green, stuffed dates individual tea cakes with white icing and red with green decorations was served.

We hope that Mr. and Mrs. Petri enjoyed us as much as the entire College enjoyed them. It was grand to have been able to associate with such an outstanding personage; to note a few of his qualities and habits and above all to know that those who are really great are those who have applied and used their talents and not those who have buried them.

HILLSIDE
