#### WHO WOULDN'T BE HAPPY?

### Fraternity, a department of the local YMCA gave a series of gala affairs for the young socialites during the holidays. On December 28 the group gave a sport dance at the Graham

Casino. This affair was featured by a display of sharp and snappy sport dresses and suits. Many young gents were attired in sport coats and trousers that would have put Park Avenue Sharps to shame. Colvens Fincher and Carrie Alexander gave the occasion the effict of June in January in their white sport suits and knicks.
