

# Home Security Life Makes A New Record

**SHOWS 11 PER CENT INCREASE IN INSURANCE IN FORCE DURING PAST YEAR**

The Home Security Life insurance company, with home office in Durham, had a very successful year during 1939, according to information received at the office from Bascom Baynes, president of the company.

"The year just ended proved to be satisfactory in every respect," Mr. Baynes reported. "During 1939 our insurance in force reached an all time high of over 42,000,000, an increase of 11 per cent over the previous year. Our assets increased approximately \$800,000 and now stand at \$2,889,386. From the standpoint of increase in assets, insurance in force and other factors, the year was highly successful."

"We hope to continue this program during 1940 and we believe this year will be even better than 1939. We plan to add several field men during 1940 to take care of the expected increase in business. If conditions in North Carolina continue to improve as they did the last few months, we feel sure that we will not be disappointed when we review our predictions in January, 1941."

In addition to Mr. Baynes, officers of the Home Security Life insurance company, which is housed in a handsome new 17-story office building in Durham,

are George Watts Hill, chairman of the board; G. W. ... vice president; F. B. Dills, secretary-actuary; Walter Sledge, treasurer; R. A. Ross, medical director; W. W. Sledge, general counsel; H. B. Belvin, auditor; and C. C. Herflet and Lois Belvin, assistant secretaries.

The board of directors consists of John Sprunt Hill, George Watts Hill, Bascom Baynes, G. W. Munford, F. B. Dills, W. W. Sledge, Dr. R. A. Ross, Walter Sledge, H. B. Belvin, T. C. Worth and C. A. Adams.

## KNOXVILLE'S STARTING FIVE

IF YOU CRAWLED INTO THE HUDDLE JUST BEFORE THE tip-off at any Knoxville College game and looked toward the ceiling you would see, as did the cameraman, K C's five aces of the hardwood. Clockwise around the circle starting at the upper left, they are: Vinson, forward;

Henderson, guard; Farmer, forward; Jordan, center; and Preston, guard. Knoxville eagers have dropped only one home game this year. Their latest victories were a twin bill against LeMoyné and a win over Fisk. Final home game is the twin bill with Morehouse

February 12-13. We regret that the camera cut Jordan's face in two but K. C. fans know that he never loses face on the basketball floor. He has starred consistently for Knoxville this season, his first for the Bulldogs.

DR. WARREN—Continued from page one

Not only in his chosen profession, but in all other phases of community life, his leadership has been an inspiration to the community. The quiet and simplicity of his life, untouched by bitterness, gave to us a fine example of self-control in a world of turbulence and confusion.
