

GREETINGS TO GRADUATES OF 1940

CHARLOTTE NOTES

BY MRS. BESSIE HARDY

Members of the Ever-Beady Club met with Mrs. Hattie Alexander last Tuesday evening at her home on East 9th Street. Matters of business were discussed during the evening. All members were present.

A. Z. Zander was a visitor in the city over the week end as guest of his wife, Mrs. Hallie Mae Teal Zander, who lives on North McDowell Street. Mr. Zander is an officer in the CC Camp.

Missionary Circle Number 3 of Little Rock Church sponsored a May festival at the church last Thursday evening to a capacity audience. Proceeds raised went toward helping the church.

Mrs. Clayvone Blackwell was hostess to members of the Hobby Lobby Sewing club Friday evening, entertaining them at her home on North Johnson Street. Plans were made for a spring festival picnic. Members present were: Mesdames Bessie Bower, A. Gill, Mollie Grier, Minnie Davis, and Mildred Alexander.

Miss Gladys Hall of Starr Street, daughter of Mr. and Mrs. Wm. Hall, spent the week end in Dallas, N. C. as the guest of Miss Corrina Costner.

Mr. and Mrs. W. A. Perry of Missouri were the guests of Mrs. Perry's mother, Mrs. Nora Miller of North Johnson Street, last week. Mrs. Perry is the former Miss Elnora Miller of this city. Mr. and Mrs. Perry are enroute to Atlanta, Ga.

Rev. H. P. Langford of Miss., a former pastor of Little Rock church in the city, preached at Clinton Chapel church Sunday morning at 11 o'clock. Rev. Langford has been attending the General conference in Washington, D. C., and stopped in Charlotte enroute to his home in Mississippi.

A lovely affair of last Friday evening was the dance given by members of the Kewpie Cousins club at Sunset Park. 300 guests were present. Jessie Morrow and his rhythm boys furnished the music. Favors were given, and every one had a wonderful time.

Mrs. Laura Rollins entertained from 5 until 11:30 o'clock at her country home in Derita, Saturday. Games and dancing were enjoyed during the evening. Guests were served buffet style.

DR. AND MRS. H. L. McCOREY, of Johnson C. Smith University, are attending the Continued on Page Eight

ARMY ISSUES CALL

Continued from Page Five
eusers in the 7th Corps area seemed as bootblacks, grooms, and flunkies for white commissioned officers. During the past school season, soldiers of both the 9th and 10th have maintained that they experienced the happiest year of all spent in the army; and further searches reveal that such was the results of a shortage of men which made it necessary for one man to take care of as many as five and six horses during a day in which at least two classes or more were conducted at the stable, topped at times with horse-shows during which they were confined to carrying hurdles and jumps until late at night for officers, their wives and children.

Unless some unannounced plish of the war department should break down these predictions, the duties of the Negroes who are now being enlisted for the 9th and 10th cavalries and other units of the 7th corps area will be the same as they are today.

COUNTY AGENT

Continued from Page Five
materials to help groups of people who want to try systematic discussions.

There will be materials for memeor foscussions groups, other msteils for, discussion leaders. There will be materials to help leaders understand how to organize groups, how to help them make the most of a monthly meeting; how to make both pleasant and profitable use of small groups met for mutually advantageous exploration of a topic.

If I sense aright the interest of farmers and their views in discussions, efforts to help groups to carry on discussions programs will win enthusiastic support and approval in every community.

Track

Continued from Page Two
all predictions made by those who knew his ability. He came back in 1939 to win the Kansas university relay 100-yard event, the Penn relays and the national collegiate.

Ellerbe is from Florida. He was trained by Bill O'Shields, formerly of the University of Minnesota. Norman Holmes, Atlanta's Booker T. Washington high graduate, was Central 2-A champion in the 100-yard in

the 100-yard dash in 1938 as a member of the Florida A and M college track team from Tallahassee. Holes is coached by Bill Bell, formerly of Ohio State university.

One can point with pride to Fred Allinece of Houston, winner of the Tuskegee relay 440-yard run, winner of the junior national AAU championship in 1939 and second in the Central 2-A meet in Milwaukee last year. Holmes was second in the 1939 Central 2-A 220 yard dash. Allinece is a senior at Prairie View college.

JUST A MINUTE, MISTER

WE MAY BE
ABLE TO SAVE
YOUR LIFE

I JUST want to tell you that if you're worried about skids and blow-outs we've got a tire that'll take a load off your mind—and it's the new Goodrich Safety Silvertown. Would you believe it, the tread on this tire actually sweeps wet roads dry with a regular windshield wiper action. And when a road is swept dry, what've you got to worry about? You're bound to stop quicker, safer than you've ever stopped before.

And that's not all. The terrific blow-out-causing heat that's generated inside all tires by today's high speeds is "tamed" and put under control in this tire with the special heat-resisting Golden Ply.
