A SARTORIAL find is the dress A SARTORIAL find is the dress or suit that one can live in, a garment that never loses its original freshness or appeal and which looks attractive all through the day. Here's such a find, a suit of dull chalky brown woolen with a dark brown velvet blouse. A strip of velvet anlivens the jacket front. The band collar of the blouse ties in a bow at front and shows above the high revers of the jacket, which is fitted through the waist and has two patch pockets. Velvet buttons and button-holes are on the velvet band down the

a mistake which we formerly were forced to make since our particular needs were given little or no consid-

ration by cosmetic manufacturers.

The successful use of cosmetics

depends upon the proper selection of shades and the application of them to conform to the individual

type.

The first step, then, is to study

yourself.

If ones features are not those of the Greek goddesses and therefore jack classic proportions, this can be

and blood, and asked this simple question:

"Miss Downing, my husband objects to my use of cosmetics. Yet, I feel that their use can help my appearance. What can I do about it?"

I knew that I could speak frankly, and so I replied: "It may be that your husband objects to the way you use cosmetics, more than to cosmetics themselves. Let me explain."

And because the explanation will the theory of the cause it emphasizes, by harrish coause it emphasizes, by harrish cause it emphasizes, by harrish coause it emphasizes, by har

to cosmetics themselves. Let me explain."

And because the explanation will reply to many similar inquiries, I'll let it be the subject for this column:

Women of good taste use cosmetics in moderation and in harmony with their facial characteristics. Many women through improper application of makeup emphasize their defects. Reveal your personality through the art of makeup, but do not follow a fashion unless it suits your individuality—rather adapt the fashion to your type.

(ara—these elements help.

But don't use these alds to beauty in the theatrical manner.

(1) Your makeup application should be done in a minimum manner, and avoid exaggeration.

(2) Makeup must not change the individual characteristics nor de stroy the personality. How ofter have you seen women who have completely changed their entire facial expression by merely shaving their brows and penciling in an un natural line?

(3) Makeup must be in harmonj ALL FULL SIZE-\$3.00 VALUE rather adapt the fashion to your type.

Bleaching or lightening ones hair, for instance, when the skin tone does not harmonize, will have the effect of making one appear grotesque. Using lipsticks, rouges and powders which were blended for blonde, fair-skinned persons is mistake which we formerly were
