A & T Defeats Hampton By Score Of 48-46

The Sports Bazaar

WILLIAM A. TUCK

IT'S BASKETBALL AGAIN, with the same indomitable spirit THAT HAS taken charge of and exhibited the same type of sports lovers and the kinds of games that have been brought to us right here in Durham by North Carolina State (not to mention Hillside High) have not been at all what the doctor would order for weak hearts and bad blood pressure. The new gym at North Carolina College has afforded standing room only for the three home games this season, and aside from being more comfortable the spirited fans have actually seen a better brand of basketball than has been brought here before. The Eagles were really "on" when they trampled Hampton to avenge last year's only conference defeat. "They all laughed" when those short men from South Carolina State walked out on the court with the Eagles, but 'twas anything but funny as the Palmetto State boys moved out in front. It was in the nick of time that Warmirk made good that final shot of the game to give NCC that much-discussed 2 point lead.

Now that the "flu" epidemic has allowed the city schools to open again, the Hornets over at Hillside are making up for lost time in chopping off games from the 1941 schedule (by playing Tigers from Tuskegee drove direct from Alabama the same afternoon of the game and played the Hornets right off their feet Monday night. The happiest man anywhere concerning the results of this game was Coach Edward H. the 7th, Henderson will be here Adams of the Tigers. You see, in 1937 he left the coaching position at N. C. State just when the side visits Smithfield (boys and short-sighted public was giving him the "credit" for the poor showings that teams representing the school made. He really returned home in glory. The team which he brought played

"DEKE" of the four Ink Spots, takes the front seat on the vocal wagon on the foursome's latest: "PUTTIN' and TALKING". . . plenty good, in fact one of the best ever recorded by the boys. . . on the other side BILLY KENNY ace tenor of the group puts his all into, "I'M ONLY HUMAN". . . a typical Ink Spots number. . . very much on the sweet side. —TYPHOTO.

Eagles Succumb To Tuskegee Onslaught

BY "BILL" TUCK (Sports Editor)

DURHAM — The early season winning streak the North Carolina College Eagles had set up in their first six games came to a thrilling end Monday night in the new N. C. College gymnasium when the powerful, fast-breaking, sharp-shooting Tuskegee Institute team humbled to the tune of 45-33. The "Giants of the Hardwood" decidedly off from Monday night, were mere clumsy shadows of themselves although both teams did give the hundreds of spectators the finest exhibition of passing and shooting that has been seen in Durham. It was Coach Edward H. Adams' nationally rated Tuskegee team that kept even the N. C. College rooters cheering for their breathtaking ball-handling as they transformed "impossible" shorts into enough points to keep the Eagles trailing.

During the first period of the game the lead, alternated without the slightest inklings of a possible loss for the Eagles. However, after Tuskegee captured the lead at 14-16, the Eagles were never ahead again and the margin between the points made by the teams became wider and wider. At half-time the count stood at 16-22.

Coach Johnny McLendon, who lost his first game as head basketball coach at N. C. College, started the game with his tall team including Downing, Colbert, Ennis Brown and Warmirk. Warmirk was only one of the five measuring less than 6 feet in height but too much can not be said in praise of the way he passed, shot, cut, pivoted and generally thrilled the crowd Monday night.

Coach Adams, who coached basketball and football at North Carolina College from 1935 until 1937 presented a well-coached team of excellent players including Hornburger, Smith, and Porter, who passed like magicians and found the hoop at will.

Eagles Take Easy Victory From Bulls

BY "HERB" TILLEY (TIMES Feature Writer)

CHARLOTTE — The Johnson C. Smith Bulls proved to be no match for the Eagles of North Carolina College last Saturday night when the latter invaded them and easy ran up the scores to 51 to 25.

The highly rated "Bulls" got off to a fast start and drew first blood with a pair of two pointers, but the fun only lasted a few minutes, for the Eagles opened their wings and flew away and were never able to be reached again by the Bulls.

There is no doubt in the minds of the Golden Bulls now as to where the 1941 CIAA basketball crown will rest after what the Eagles laid on them in their own territory. It was a one-sided match all the way as the Eagles led by Colbert, Downing and Ennis who registered 28 points during the first half and limiting the Bulls to a meager 9 points.

At the beginning of the second half, the Bulls seemed momentarily to hit their stride, but it was Downing who came in and began to snatch them out the basket and off the back board and halted the rally.

Norfolk Unit Cagers Bow To Hampton Freshmen 46-48

BY "SHAKY" STUART

HAMPTON Institute, Va. — The Hampton Institute Pirates lost a heartbreaking game on their home court in the last few seconds of play on Saturday, January 25, when Jack Smith, flashy forward of North Carolina A and T College, sank a pot shot to break a tie and win the game for A and T by 48-46.

It was a fiercely played game from the opening whistle, neither team being able to get more than a six point advantage throughout the game. The score was tied eight times. At the half, A and T led, 30 to 24. "Tiny" Thompson, veteran Hampton forward, was high scorer with 18 points and Captain Jack Higgins, former Bordentown great, of the winning A and T five was next with 13 points.

Freshmen Top Unit
In the preliminary the Aggie-Pirate clash, the Norfolk Unit cagers went down to honorable defeat at the hands of the Hampton Institute Freshmen, by the score of 27 to 26. At the end of the regular game time the score was tied at 23 all, and in the overtime period the Freshmen eked out a one point victory. Jefferson, Norfolk Unit guard and captain, was the outstanding player of the game scoring nine points and playing a good defensive game at guard.

Tolloway and Gaston tied for scoring honors for the Freshmen with six points each.

POPULAR SINGER

LAUREL WATSON
Is the lovely thing that sings with Lucky Millinder's Orchestra. The band, plus, Miss Watson, of course, thrilled thousands at the farewell reception tendered the 369th Regiment A. A. Coast Artillery at the Golden Gate Ballroom in Harlem recently. — TYPhoto.

Speeding Is Blamed For 74 Out Of 605 Wrecks Last Year

Roy Bishop, director of public safety, corrects an impression many may hold as to accident causes, stating that speeding, not having the right-of-way, and driving on the wrong side of the street were principal causes of traffic accidents in the City of Durham during annual traffic report just made public.

74 of 605 accidents were by speeding, 37 by drivers failing to have the right-of-way, and 33 wrecks were attributed to operation of vehicles on the wrong side of the street.

GRATITUDE is a fruit of great cultivation; you do not find it among gross people.—Dr. Johnson.

Elementary League Releases Schedule

BY "SMILING" BILL TUCK

The Durham Elementary school basketball league has released a 48 game schedule for the season which began January 6. Playoff games will begin February 28 and a city wide tournament slated for March 3 and 4.

All games are played at the John Avery Boys club on Pettigrew Street. The remaining games on the schedule are:

- Jan. 31—Lyon Park vs Whitted East End vs Pearson
 - Feb. 3—Pearson vs Burton Lyon Park vs Walltown
 - Feb. 5—Walltown vs Pearson East End vs Whitted
 - Feb. 7—Whitted vs Burton Lyon Park vs East End
 - Feb. 10—Pearson vs Lyon Park East End vs Burton
 - Feb. 12—Burton vs Lyon Park Walltown vs Whitted
 - Feb. 14—Pearson vs Whitted Walltown vs East End
 - Feb. 17—Lyon Park vs Whitted Burton vs Walltown
 - Feb. 19—Whitted vs Burton
 - Feb. 21—Lyon Park vs Whitted East End vs Pearson
 - Feb. 24—Whitted vs East End Pearson vs Burton
 - Feb. 26—Walltown vs Lyon Park Second Game-Playoff
 - Feb. 28—Playoff Games To be announced later
- Tournament: March 3-4.

Downing High Scorer

Downing who has been off all the season because of illness and other troubles, entered the contest at the beginning of the game and rang up 16 points for his team-mates before coach McLendon took him out in the fourth quarter. He was high scorer for the evening for the visitors and Walker was best for the Smithmen with eight.

Applauds For Downing

When Downing walked off the court Saturday night a crowd of some nine hundred applauded for five minutes in tribute to the fine he played and the sportsmanship exhibited while he was in the game.

BOY SCOUT TREND ENCOURAGING

Striking an encouraging note in the world unrest today has been the extended work of the Boy Scouts of America, the world's largest youth organization. The men and boys registered in this federally-chartered group have pledged themselves to follow a program of strengthening and invigorating democracy in the United States.

A nine-point program stressing self-reliance and ability to react in times of emergency has been undertaken by more than a million and a half members of the Boy Scout Movement.

These twelve to sixteen-year-old boys, under the leadership of volunteer adult workers, are "learning by doing." Faced with practical situations demanding instantaneous and intelligent reactions these boys are receiving valuable training for emergency crises. In this

preparation to act the Boy Scouts have pledged themselves to be "united with all lovers of freedom, whatever their tongue or origin. To keep our nation strong in valor and confident in freedom, so that the government of the people, by the people, for the people shall not perish from the earth."

To this end the 47,000 Scout units throughout the country have made a roll call of their entire membership to isolate the weak spots in local organization. The troops have taken stock of themselves in order that they might organize emergency service corps in local communities, prepared to act when danger of any kind threatens.

These efforts hearten sincere and worried Americans who view the future with fear for this country's inherent rights and values. They are in keeping with the long service record of the Boy Scouts of America.

Floods, storms and fires have seen these khaki-clad youths in immediate action. New England and Florida still recovering from the hurricanes and floods of 1938 remember the Boy Scout work with appreciation. Older folks can remember them at work in war times. During World War, over \$400,000,000 dollars worth of Liberty Loan subscriptions were sold by Boy Scouts. Forty-three million dollars worth of war Savings Stamps were distributed by these youngsters. Scouts under direction of national leaders located over 5,200 carloads of standing walnut trees for defense authorities. Herbert Hoover, food administrator for the United States, complimented Scouts upon their efficient cultivation of war gardens and farms. These teen-age boys, directly aiding the government, delivered over thirty million pieces of literature. American democracy is in the spotlight today. While the youth of the United States is being trained in a non-military fashion, not only to meet the exigencies of a war-time emergency, but also to meet the complexities of a peace-time existence, worried Americans may well relax their fears for the future.

A and T SATURDAY

Saturday night at the local gymnasium the Eagles will take on A. and T College, a team which is reputed as being the best that the school has boasted in years. Monday night will find Howard University here seeking revenge and next Saturday night it will be Saint Paul.

LIVING DEATH AS REMEDY?

"IN WAR OR A huge defense program like ours there are two directions which we might travel" writes W. Randolph Burgess of the National City Bank of New York. "One is to copy the authoritarian methods, to become ourselves a socialist state in the sense that the government would be given absolute control over the life of the people. It is appalling to discover how many people are willing to adopt that sort of solution for the present problems of the United States."

ANY PERSON in North Carolina interested in how to prevent, discover, or cure tuberculosis may write the Extension Department of the North Carolina Sanatorium, Sanatorium, N. C., and receive the information.
