N. C. Eagles Blast To Within Game Of Loop Lead with can't-Miss Ball 53-36

DURHAM — Playing can't-miss ball the North Carolina College Eagles unlimbered their big guns and blasted within one game of the 1941 C. I. A. A. Championship with a 53-36 win over Morgan State College here Wednesday night.

Morgan began the scoring with a charity toss and failed to score for 12 minutes later. The intermission period saw the Eagles leading the Bears 30-10.

Harold Colbert, All-C. I. A. A. center and Downing who is rated best at guard posted tied with 13 points each for individual scoring honors for the hosts and Cain, stellar center for the visitors, topped all scoring with 14 points. Ennis, another big gun for the Eagles, was most impressive on the floor and managed to ring up 10 points for himself. He managed to get in Morgan's hair on every play as he moved around the court like a phantom. Ennis played like something super-charged although State led by a 20 point margin most of the way.

In the third quarter with the Eagle regular resting, Morgan closed on the margin when Cain and Gibson turned on the

Downing And Cain Fend

At Morgan last week, Cain disturbed the even composure of Norbert Downing by making 13 points against his guarding and when Downing found out that he only made 13 points he was sore. Downing asked Coach McLendon if he might guard Cain in the second contest. His request was granted. Downing made 13 points again and was yanked because of three personals but before the game ended Cain had slipped in shots for 14 points. Heights was the big difference and State had that difference.

William Peerman turned in one of his best games for the season.

With 14 wins under their belt against 13 for the nearest opponent, The Eagles have the better of the schedule angle and will be awarded the title on the rating of Dr. Dirckson. With a lost to a southern conference team each for State and Union and the win in the C. I. A. A., the Eagles have a better claim.

that are theirs.

The players with whom Coach W. H. Cole is working this year have the type of spirit (on and off the court) that just can't be understood by the average opponent or onlooker. It's the only kind of spirit that would make them buckle down under Cole's direction and make a way for themselves to get to Greensboro and later to Fayetteville although the Athletic department has no funds to finance the trip. This is a big thing that should be commended. This is an off-the-court exhibition of the same kind of spirit that allows Coach Cole to modestly state that his teams have never lost two games in a row nor have any of his teams lost two games to the same team. This season has been these spirited lads turn the tide against two of North Carolina's top teams, Henderson and Smith field, after absorbing decisive beatings by them.

CITY TOURNEY SIDELIGHTS

Three sets of brothers saw action in the city wide basketball tournament at Hillside two weeks ago. Johnson Ray performed with the John Avery Boy's Club while his brothers Harold and Douglas were outstanding for College Heights. David Weaver of College Heights and brother Herb Weaver of the Little Rens were seen; The Jones brothers of White Rock were very much in the tournament.

The White Rock Terpedoes had more new "sensations" on their squad than anybody else.

The Trojans, known also as the Hillside "Long Legs," set the fouling record with two men fouling out when they played the boys club. The Boys Club lost a sweet one to the Little Rens in overtime fray.

A and T. With but seven minutes remaining, Jenkins brought the score to a 30-30 deadlock.

Then it was that "Lefty" went into action. Picking a spot to the left of the circle, he took 5 shots and 5 times it was nothing but string music. The game was safely packed away on Aggie ice.
