Allen Leads Pirates To Trim Lincoln Lions 44 to 42

By "Shaky" Stuart
HAMPTON, V. A. — Playing their final game of the season, the Hampton Pirates tossed back a strong Lincoln University quint 44 to 42 in a thrilling basketball game on Saturday, March 1, on Saturday, March 1, on the Hampton Institute floor.

The Pirates, put the pressure on from the beginning of the game. With Howard Allen, brilliant Pirate center of Englewood, New Jersey, and Tiny Thompson, stellar forward of Middletown, Ohio dropping baskets from all angles, the Hampton crew made 10 points before the Lions were able to register. At one time in the early part of the game they were leading 17 to 4. The Lions, sparked by Bill Hunter, stellar guard, began pulling up near the end of the half, but they were unable to overcome the Pirates' lead. At the half Hampton led 21 to 19.

Coming back in the second half, the Lions put on a scoring spree and forged ahead 43 to 40 near the end of the game. But the Pirates were determined to end the season with a victory as Tiny Thompson, aided by John Ace Phillips, sank two crisp shots in short order to put the game on ice for his mates.

Howard Allen proved a formidable thorn in the Lions' side. Rivero used four different methods in an effort to stop his left hand shots, but his efforts were futile. Allen not only made 12 field goals to take scoring honors for the evening, but also held Ernie Young, consistently good Lion center, to one lone field goal. Offensive honors also go to Tiny Thompson who was next in scoring with 15 points. Joe Red Dismond and John Phillips were defensive stalwarts for the pirates. The shooting and defensive work of Bill Hunter and Charlie Wareham kept the Lions in the game.

for the Pirates with but 15 seconds to play. As the extra period opened, Allen, lanky center, fouled Hurst, Virginia State guard, and his point broke the dead lock. In the first minute of play, the Trojans chalked up a 7 point lead that the Seaside were not able to overcome.

In a preliminary played here, Hampton's J. B.'s dropped the Virginia State reserves by a 24-

Bull Pugs Draw Windsor Battlers

By Milton C. Branch
CHARLOTTE — In a match that was plete with knockdowns, knockouts, and whirlwind action, a hard hitting boxing aggregation from the Windsor Community Center, Greensboro, fought Johnson C. Smith University's CIAA ring champions to a 3-1-2 J-1-2 draw, here Saturday night, as the Bulls made their Charlotte ring debut of the current season. The final count was 3-1-2-3-1-2.

However, with all the matches in the lighter weights, Harold S. Adams, former Big Ten light-weight champion who in three years has coached the Bulls to two CIAA championships, was undaunted at the outcome, for his big guns in the middleweight, light heavyweight and heavy-weight divisions have yet to be silenced.

Headliners of the meet were the Jessup brothers, Tom and Kermit, of the Windsors, both of whom scored swift and sensational knockouts. John Holton, Bull lightweight, stood out as the most skillful and scientific boxer; "Sporty" Marham, '38 CIAA 135 lb. champ who defeated Hampton's great Farson for his title, also showed a ring sagacity that promises to be deadly in the coming CIAA ring wars.

Having defeated the A and T College battlers in Greensboro in a previous engagement, the Bulls will play host to the Aggies Saturday, March 8 in a riveting match. The Windsors downed the Aggies 7-1.
