

Crime Does Not Pay!

This cartoon depicting the awful crime conditions in the Hayti section of Durham where on last week-end two murders were committed on the same street within the space of 24 hours is published with the hope that the citizens of this city may become aroused to the seriousness of the crime situation within its borders.

"The King Who Could Not Laugh" Presented by Students of School for Blind

A scene from Paul Vincent Carroll's "The King Who Could Not Laugh," which was presented by students of the Louisiana State School for Negro Blind Children in the Southern university auditorium last week. Miss Grace Hulsey Mills, dramatic coach of The American Foundation for the Blind, directed the play.

CONNECT IT AND FORGET IT

AUTOMATIC ELECTRIC WATER HEATER!

NO installation or operating worries. Install it anywhere - then forget it. No flue connections necessary. Completely automatic - dependable - safe. Round and square models. A size for every need.

FAST. Plenty of hot water without waiting or waiting.
CLEAN because it's flameless. No smoke. No soot.
SAFE. Does not over-heat water. No fumes or flame to worry about.
ECONOMICAL because the CALROD heating unit is immersed directly in the water, no heat wasted.
