DON'T WAKE UP TOO LATE!

It's a rude awakening for a man who is building or remodeling to find himself in a few months faced with repair bills that amount to twice what he saved on cheap materials. Or perhaps he didn't even have the satisfaction of a nominal saving. Perhaps the materials only seemed cheaper because they weren't backed by a manufacturer or dealer whose name meant quality. **PLAY SAFE. BUILD, MODERNIZE, REPAIR WITH MATERIALS FROM WIGGINS!**
