Who Benefits From Life Insurance?

Have you ever asked yourself the question - "Who benefits most from life insurance?" Consider the following points carefully, then decide this question for yourself:

What investment offers the advantages of protection, plus financial security should sickness or any accident create a financial crisis?

What investment will guarantee the education of your children and keep the home intact—whether you live or die?

What investment will provide old age security and safeguard the mortgage on your home against loss?

What investment will protect your loved ones, should illness or death cut short your plans?

To all these questions the answer is—

YOUR LIFE INSURANCE

Can you afford to be without a North Carolina Mutual policy? See your nearest agent and have him explain how he can bring financial security to your home.

Chicago, Nov. 22. — (Reviewed By E. M. M. for ANG) — Charlotte Hawkins Brown, president of the "fashionable Palmer Memorial Institute" at St. Paul, N. C., has spent the past 40 years teaching the young ladies and young men of the "best families" of Brown America the "correct thing" to do and say and wear as well as the rudiments of general education. Dr. Brown has just put into a book, "The Correct Thing," the teachings, observations, cultural achievements,

ements, and above all a wealth of Boston.

The Correct Thing as a means of information concerning every "must" in every home in America, using the social graces as one conceivable subject of modern etiquette.

Etiquette books are often spurned by men who feel that etiquette entails a lot of finger raising, tea drinking and other affectations. As a result, our well trained girls sometimes find themselves dating brutes who acts like the proverbial duction, invitations, announce- burs in a china closet. "Let us take time, therefore," concludes Mrs. Brown, "to be gracious, to be thoughtful, to be kind, using the social graces as one means of turning the wheels of progress with greater velocity on the upward road to lasting success."

The young lady is told when to say "yes" and when to say "no" without offending. "But after you say 'no,'" says Dr. Brown, "don't be conquered unto saying 'yes'." The forms for letters of introduction, invitations, announce- burs, radiograms, visiting cards, tries to rationalize with the old etc, will be of interest to all people.
