campaign." However, company officials lat-er declared that employes received far better average wages than any other in any institution on the

Further officials stated that no ly. employe was browbeaten or intimidated, and that a federal credit union, connected with the company was organized by employes in which neither the company nor officials had any control.

No dissatisfaction was evidence by the workers, the vote showe hut a few CIO workers tried to in cite employes to find fault with the company's policies.

N. C. Truck and Bus **Owners Fail To** File Questionnaires

There are approximately 40,000 wners of trucks and basses in North Carolina who have thus far failed to respond to an urgent request that they complete and file with the Highway Traffic Advisory Committee to the War Depart. ment a questionnaire sent them for each such vehicle they own, L. G. Watters, Technical Director of this State-wide truck and buss invenory, said today.
