Government Cracks Down On Shipping Line; Gets **Employment For Twenty-Five**

New York, Jan. 29. —(ANP)—
A recent protest by the National Major Blocks Merrime nation. CIO caused the government to crack down on the Vaited States Lines and compel the abb" the day before, for service on the former Swedish luxury liner SS Kungsholm. The quick and prejudice against hiring seamen here was scotched by Major Schall, and Raleigh, has accepted an inbecause heir skin is dark. The United States line, Moore-McCormack, and Grace line are three of the most important companies who persistently refuse to hire colored seamen and have caused many ships to sail short-handed.

With its new slogan "Keep 'em sailing," the NUM seeks to throw methods and discriminatory practices, and have war cargoes delivered on schedule.
